Speaking Schedule Outlined

Eisenhower Says He Plans Two Speeches During September On Farm Situation

WASHINGTON (AP)—President Eisenhower said today he plans two campaign speeches this month on the farm situation.

Those two addresses, plus another he mentioned at a news conference, will be in addition to a speech at the formal kickoff of his re-election campaign at a "pep rally" at his Gettysburg, Pa., farm one week from today.

Responding to questions Eisenhower said he has tentatively agreed to attend the annual plowing contest at Newton, Iowa. He said he thinks that event is scheduled Sept. 21.

Adlai Stevenson, the Democratic presidential nominee, has agreed to speak at Newton on Sept. 22.

Eisenhower said he will visit with friends at Newton and make a speech dealing with the farm situation—which is shaping up as a major issue in this year's presidential campaign.

The President added that about a week later—along about Sept. 27 or 28—he will make his first nationwide television-radio address. His topic on that occasion also will be agriculture.

Eisenhower said he was not yet sure from which city that broadcast will originate.

The third campaign speech Eisenhower mentioned today will take place about a week after the Sept. 12 pep rally at his Gettysburg farm. He said that would be sort of a studio address, indicating he plans to speak on that occasion also on television and radio.

Eisenhower gave no hint as to where he will make this third talk. In good humor and natty in a light gray double-breasted suit, Eisenhower covered other topics at the news conference.

CIVIL RIGHTS—Commenting on the disturbances which have broken out in some sections of the South as a result of the Supreme Court's ruling outlawing racial segregation in the nation's public schools, Eisenhower said that until the individual states show inability to deal with the situation the federal government had better be very careful about moving in.

He deplored the violence which has cropped up in a few sections with the reopening of schools in the South. But, in response to a question, Eisenhower declined to say whether he endorses the Supreme Court ruling or merely accepts it.

The situation, Eisenhower said, is that under the Constitution he is bound by the court's decision and will do his best to see that it is carried out.

In each disturbance so far, Eisenhower said, the local governments have moved to stop violence. He reiterated that the federal government can't step in until local efforts have been exhausted.

Eisenhower was told that Democratic Gov. Allan Shivers of Texas had said his position is one of defiance of the Supreme Court. The President replied that he would not discuss this, but he noted that the high tribunal had placed primary responsibility for enforcement of its ruling in the hands of federal district courts.

Astronomy Club Sets Telescope For Tonight

The Sedalia Astronomy Club will have its telescope set up this evening at 7:30 behind the Smith-Cotton cafeteria in order to let the public view Saturn and Mars, the second of which is at its closest point to the Earth. It will also have the telescope set up at the same place and time Friday night.

Big Competition

The weather is so delightful that it must be a powerful force with which the teachers have to contend as they try to start pupils on the scholastic way.

Partly cloudy with little change in temperature tonight and Thursday; slight change of showers tonight; low to high 60; high Thursday in upper 80s.

The temperature at 7 a.m. was 65; 89 at 1 p.m. and 91 at 2 p.m. Low Tuesday night 64.

The temperature one year ago today, high 86, low 55; two years ago, high 100, low 70; and three years ago, high 80, low 52.

Stage at Lake of the Ozarks 54.4, down .1.

JUST LIKE HIS ARMY DAYS—It was just like the old Army days for William J. Armstrong of San Francisco as he sat down to rest his tootsies after passing the reviewing stand as the last man in the American Legion's seven-hour parade at Los Angeles. More than 30,000 walked before him. The veterans are holding their annual convention. (AP Wirephoto)

Ike to Open Campaign With 'Rally'

Meeting to Be Held At Gettysburg Farm Before Adlai Speech

By THE ASSOCIATED PRESS
President Eisenhower will open his re-election campaign with a "pep rally" at his Gettysburg, Pa., farm Sept. 12, a day before Adlai Stevenson makes a major campaign speech at Harrisburg, Pa.

Stevenson, already well into his own fight for the presidency, scheduled an address today in Los Angeles, and a quick trip to San Francisco for another in a series of regional meetings with Democratic leaders.

White House press secretary James C. Hagerty announced the President's "rally" yesterday, but got more Democratic reaction with some criticism of Stevenson. Hagerty, citing a clipping from the New York Times, said it appeared to indicate that Stevenson and the Democratic party consider American unemployment "good news" as it relates to the Democratic campaign fight.

The story linked two Stevenson statements made at a Chicago news conference. It quoted Stevenson as saying "all the news is good," then as adding "there was serious unemployment" in some areas.

The Times issued a statement in the wake of Hagerty's comments, saying the excerpt he quoted was an "unfortunate inversion" of Stevenson's remarks. The paper said the construction "was unfair to Mr. Stevenson," and added it would print his statement in full.

Stevenson's press secretary, Clayton Fritchey, accused Hagerty of "taking two wholly unrelated comments and telescoping them." Hagerty said "I didn't telescope them," and refused comment on the Times statement.

Democratic National Chairman Paul Butler said Hagerty "distorted and misrepresented the facts in his attack on Adlai Stevenson," and suggested Hagerty sign a pledge to adhere to fair campaign tactics.

Hagerty said invitations to the Gettysburg rally have gone out to about 500 key campaign workers all over the nation. They included GOP National Committee officers, committeemen and committeewomen, and representatives of other political groups.

Hagerty told newsmen the President's speech would not be a major campaign address, but could be described as the campaign kickoff. Vice President Nixon also will speak at the rally.

Says Collision Due To Man's Confusion

AMARILLO, Tex. (AP)—A spokesman for the Santa Fe Railroad said today collision of the Santa Fe Chief and a mail train near Robinson, N. M., apparently was due to confusion on the part of an employee on the mail train.

"Apparently the fireman on the mail train lined the switch onto the siding, instead of keeping the Chief on the main line," public relations representative Ralph Ater said.

He declined to disclose the fireman's identity but said an investigation would be held.

He said the westbound Chief was traveling about 40-45 miles an hour when it struck the mail train on the siding.

Cool Front to North Finally Breaks Loose

KANSAS CITY (AP)—The cool front to the north of Missouri finally broke loose to give the state some heat relief.

By mid-morning the front extended from Coffeyville, Kan., to Chicago. As a result it will be somewhat cooler over most of the state by tomorrow, with highs of 65 to 70 in the extreme northwest to near 80 in the extreme south.

Scattered showers and thunderstorms are forecast for the extreme north this afternoon and in the south Thursday. Occasional rain is forecast for the extreme northeast tonight.

Taking a long look at the situation, the weatherman thinks temperatures will average one-to-three degrees below normal through next Monday with only moderate precipitation.

Tipton Approves \$152,000 Bond Issue Tuesday

Tipton voters approved by a 7-1 margin Tuesday a \$152,000 bond issue for extension and improvements on the city's combined waterworks and sewerage system and for the purchase of a fire truck.

A two-thirds majority was required on both propositions, which were voted on separately. On proposition No. 1, a \$9,000 bond for a fire truck, the vote was 398 for and 52 against. Proposition No. 2, asking \$143,000 for additional waterlines, additional sewers and construction of a lagoon lake, was given a 384-59 passage.

There was a total of 233 votes cast in Tipton's West Ward and 219 votes in the East Ward.

The Tipton City Council announced work on the waterworks-sewerage project is expected to start within five or six weeks. Mayor Virgil R. Helms and Alderman E. G. Crawford, Nelson Stonner, Claud Howard and Bill Moss make up the Tipton Council.

Arthur Burrowes Says He Was Assaulted

ST. JOSEPH, Mo. (AP)—Arthur V. Burrowes, editor of the St. Joseph News Press and Gazette reported today he was assaulted by County Judge Walter Smith, against whom an ouster suit is pending.

Burrowes suffered a laceration on the nose and one ear but was able to stay on the job. His eye glasses were broken in the early morning encounter on a downtown street.

Prosecuting Attorney Frank D. Connett Jr. said he would file a charge of common assault against Judge Smith later today.

The editor, who is 62, said he did not attempt to strike back at Smith, a 42-year-old tavern operator. Burrowes said Smith struck him twice, once in the chest and once on the head.

Shows An Increase Of 108 Above 1955

First day enrollment in Sedalia public schools shows an increase over last year of 108 students. The grand total for the schools is 3,666.

Enrollment and loss or gain by schools is: Broadway, 337, loss of 17; Horace Mann, 487, gain of 4; Hubbard grade school, 263, gain of 4; Jefferson, 166, gain of 14; Mark Twain, 403, gain of 7; Washington, 444, gain of 7; Whittier, 322, gain of 12; Smith-Cotton, 1177, gain of 50; and Hubbard High School, 67, loss of 11.

LaMarca Enters Plea Of Insanity In Fatal Kidnaping of Child

MINEOLA, N. Y. (AP)—Angelo LaMarca, 31, pleaded innocent by reason of insanity today in the fatal kidnaping of Peter Weinberger, 33 days old. Trial was set for Oct. 1.

His attorney, David M. Markowitz, contended LaMarca, a machinist and part-time cab driver, was driven out of his mind by mounting debts.

The prosecution contends LaMarca has confessed kidnaping the baby July 4 from a patio at the home of Mr. and Mrs. Morris Weinberger in Westbury, Long Island, and of abandoning the boy in a thicket the next day.

City Council Keeps Same Rate of Levy

It Also Changes Boundaries of Two Voting Precincts

By D. Kelly Scruton

Sedalia's tax levy remains the same as it has been in the past number of years, \$1.50, in accordance with the tax levy ordinance passed by the City Council at its regular meeting Tuesday night. Councilman C. L. Kelley, chairman of the finance committee, after the ordinance was passed, rose and stated, "Sedalia's tax rate remains constant—\$1.50—in spite of the rise in cost of salaries, added costs for materials and equipment used by the city."

Ordinarily the tax levy ordinance which is passed each year would have come before the council earlier this past spring, but because of orders by the State Tax Commission to raise assessments in various counties of the state, the Council waited to see what effect the order would have on Pettis County and Sedalia. After the Commission had approved the Sedalia and county assessments as made by County Assessor Jerry Trotter, it was found the city would not have to raise its taxes at this time.

Council proceedings moved smoothly at the meeting, which was changed from Monday to Tuesday night because of the Labor Day holiday. Much business was transacted during the evening, including the passage of seven ordinances and introduction of seven ordinances.

One of the more important ordinances introduced was a change in the boundaries of the first precinct of the first and second wards. The new ordinance repeals the section defining the boundary between these two precincts and wards. The ordinance now calls for the boundary of the first precinct of the second ward to be moved from Monticue to 300 feet east of Grand Avenue with the south boundary being the Missouri-Pacific tracks and north to the city limits. The first precinct of the first ward is being cut back to have its east boundary 300 feet east of Grand Avenue, with the south boundary being the railroad track and north to the city limits. This will enlarge the second ward precinct in comparison with the over-size first ward precinct and equalize a little better the population as to voters.

On recommendation of the city engineer, Councilman Woodrow Garrison requested permission of the council to expend money to replace three bridges on South Park at Tenth and 11th and at the alley between those two streets (Please turn to page 6, column 6)

'Santa Fe Chief' Runs Headon Into Train on Siding; 18 Die

HERE FOR REUNION—This group of men formerly assigned to the Sedalia Army Air Field (now Whiteman Air Force Base) during World War II are shown as they gathered in Sedalia over the weekend for their third annual reunion. They came from all over the United States to inspect the modern facilities of WAFB and to reminisce about their wartime experiences. (Democrat-Capital photo)

Atmosphere Still Friendly—

Committee, Nasser Proceed Cautiously In Suez Talks

CAIRO, Egypt (AP)—The Menzies Committee and President Nasser were reported today "down to meat" of the Suez Canal controversy and proceeding cautiously in their talks on a possible solution.

A source close to the five-nation group headed by Australian Prime Minister Robert G. Menzies described the atmosphere as friendly despite many disagreements. The committee—Australia, Ethiopia, Iran, Sweden and the United States—is pushing an 18-nation plan for international operation of the 103-mile Mediterranean-to-Red Sea waterway, which Egypt nationalized July 26. The plan came originally from Secretary of State Dulles and was worked out at the 22-nation London Suez conference Aug. 16-24.

In Paris, the 15-nation council of the North Atlantic Treaty Organization was to get a report from British Foreign Secretary Selwyn Lloyd on the London Suez conference. Foreign Ministers Christian Pinou of France, Paul-Henri Spaak of Belgium and Lester B. Pearson of Canada also were on hand for the one-day NATO meeting. Permanent NATO headquarters representatives were attending for the other countries.

The council was not expected to give formal backing to the London plan or to the British-French military buildup set off by the canal crisis. The council can act only by unanimous decision. Unanimity seemed unlikely because one member, Greece, turned down an invitation to the London conference. Before leaving London to fly to Paris, Lloyd told newsmen, "we are still working for a peaceful settlement."

"Use of force," he declared, "is always distasteful to our people and must be a last resort." Lloyd said present British and French military preparations "are of a precautionary nature."

"But," he added, "there may come a time when vital interests which are not ours alone may have to be protected."

A big question in the Cairo talks was whether Nasser would put forward a new proposal of his own for the future of the canal, a route of Middle Eastern oil shipments vital to Western Europe.

In the three sessions held since Monday, the Menzies mission has outlined the international control proposal. In the third meeting last night, Nasser told the committee what he thought of the plan. Menzies afterward reported, "both sides began the clarification and discussion of various points of difference." He described the atmosphere as good and said, "we are still in the preliminary stages."

An informant told reporters Nasser spoke for "quite some time."

Special Committee Launches Its Study Of Education System

JEFFERSON CITY (AP)—A special committee today launched its two-pronged study of Missouri's program for state supported colleges and university education.

One problem is what to do with Lincoln University here, the former all-Negro school now open to whites and Negroes alike. The other problem is how to coordinate the financing of the two universities and five colleges.

Only three of the 10 legislative members were present at the opening session but representatives from all the schools were on hand as advisory members. The committee accepted a preliminary report prepared by the legislative research staff.

It showed that 15 states now have single governing boards to administer all the institutions of higher education, six have boards to coordinate the programming of the various schools and eight, including Missouri, have individual boards for each school.

Adlai Pledges Halt to Draft In Legion Talk

Stevenson's Address Accuses Republicans Of Political Abuse

LOS ANGELES (AP)—Adlai E. Stevenson subscribed today "with all my heart" to what he called the national will that the military draft be ended at the "earliest possible moment consistent with the national safety."

The Democratic presidential nominee included that qualified pledge to halt the draft in a major address prepared for delivery at the 38th annual convention of the American Legion.

Stevenson worked on the speech after a rousing welcome at International Airport in which he and Estes Kefauver claimed the Democrats are united for the campaign ahead.

It was here in California that Stevenson and Kefauver, now the Democratic ticket for 1956, staged the last and one of the bitterest clashes of the presidential primaries. Stevenson won.

Stevenson's address today sprayed the GOP with criticism, accusing it of a "shocking abuse of the elementary political decency" in handling the peace issue.

He said the claim that the Democrats were responsible for the Korean War and the Republicans stopped it was "as miserable a fraud as has ever been used by a political party to confuse and embitter a people who must govern themselves on facts not fiction."

Stevenson issued a plea for "honesty in our national debate about war and peace." He said this debate will be poisoned if one party claims a deeper love for peace than the other.

Stevenson said that the GOP charge that under the Democrats prosperity depends on war is infamous. The truth is, he said, that no depression followed World War II and that readjustment was accomplished peacefully under a Democratic administration with "ever increasing prosperity."

Defense expenditures have averaged 15 billion dollars more each year under Eisenhower than they did under Truman, Stevenson said. "If our prosperity has ever been dependent on spending for war—it is right now."

The ultimate peace is not yet won, he said, adding: "There isn't a peace we seek 'while our sons and brothers are still being drafted for two years of military service, their schooling interrupted, their normal lives postponed.'"

It is clear, he said, that in this atomic age "we must rethink the problems of military strategy and military requirements."

Already, Stevenson said, the possibility can be anticipated hopefully but confidently, that in the foreseeable future the needed military forces can be maintained without the draft.

Stover Firm Wants To Improve Its Plant

JEFFERSON CITY (AP)—Sho-Me Power Corp. of Marshfield applied today for state permission to borrow up to \$1 million from the Federal Rural Electrification Administration.

The money would finance construction of a new headquarters, a warehouse building and other improvements and extensions to Sho-Me's plant. The notes would bear two per cent interest and mature in 35 years.

Stover Telephone Co. of Stover, also sought state authority to borrow from the REA—\$195,000 for improvements to its plant, including conversion to dial service.

Death Toll May Increase With Search

Four Crew Members, 14 Waiters, Lounge Car Attendant Die; No Passengers Killed

SPRINGER, N. M. (AP)—An open switch sent the Santa Fe Chief crashing headon into a sidetracked mail train early today in northern New Mexico, killing at least 18 railway workers.

Santa Fe officials earlier said 20 perished but revised the known dead figure downward when two were found safe.

A spokesman said the death toll might go higher when wrecking crews pry into the twisted and torn cars of the Chief.

As far as has been determined, no passengers died in the early-morning tragedy. A spokesman said an open switch on the track could be the only cause.

The westbound Chief shot into the bypass where the fast Santa Fe mail train No. 8 was waiting for the main line to continue north.

The known dead were four crew members and 14 waiters and lounge car attendants, asleep in a dormitory car on the Chief. Two of the 16 in the car escaped death.

The identified dead are L. J. Rush of Raton, N. M., mail train engineer; E. O. Foster of Raton, engineer on the Chief; W. H. Adams of Raton, fireman on the Chief, and W. L. Schriever of Las Vegas, N. M., conductor on the Chief.

In critical condition is Jim Walter of Rockford, Ill., chief cook. Seriously injured were Charles Kincaid of Albuquerque, brakeman, and William P. Wright of Chicago, waiter. Treated and released were Mr. and Mrs. Norman Rosen of New York, Miss Jessie Schweizer of Maplewood, Mo., and Mrs. Hattie Meckfease of Maplewood.

Associated Press writer John B. Curtis said "the task even of determining the number of dead is horribly complicated because of condition of the trains."

"The cars," Curtis said, "are mangled, twisted and standing on end. Women's shoes, bedclothing and suitcases are strewn everywhere."

Ambulances, doctors and officers from most of northern New Mexico were summoned to the scene.

The accident occurred at 3:10 a.m. five miles south of here in gently rolling ranch country. The main line of the Santa Fe at this point parallels U. S. Highway 85.

Only the diesel units of the mail train went off the track, crushed and torn.

Of 13 cars in the Chief, only seven remain on the track. Others, Curtis said, were "twisted and mangled and telescoped, pointing upward at grotesque angles."

A Santa Fe spokesman said the Chief ran through an open switch and into the siding where the mail train was waiting.

J. P. Reinhold, Santa Fe railway vice president in charge of public relations, said as far as he could determine there were 45 Pullman passengers, 227 adult coach passengers and 40 children aboard the Chief.

An Air Force plane flying over the scene reported to the Civil Aeronautics Administration that "quite a few" blanket-covered objects could be seen lying about the wreckage.

Springer National Guardsmen were pressed into service to guard the mail train.

A number of servicemen aboard the Chief, jolted out of their sleep by the crash, aided the injured and helped remove some of the bodies.

V. P. Schmidt, a "sailor from Milwaukee, was two cars back of the dormitory car. He said 'I looked out when things settled down and the front end of the car looked like a huge radiator.'"

INSIDE STORIES

More State Fair awards for the FFA boys are listed on Page 6, Section 2.

The annual Cole Camp Fair starts Thursday. For information and stories about the exhibits see Page 10, Section 2.

Race Disorder Is Sporadic Across South

By THE ASSOCIATED PRESS
Racial disorders flared across the South as millions of children trudged to classrooms to start the third school year since the U.S. Supreme Court ruled segregation unconstitutional.

But the outbreaks were sporadic and confined to small communities for the most part. Crowds dispersed early Wednesday even in troubled Tennessee.

Despite the disturbances, more Negroes than ever before were attending integrated classes.

Exact figures were not available immediately, but the Southern Education Reporting Service at Knoxville, Tenn., estimated recently that 300,000 of the 2,500,000 Negroes in 17 states and the District of Columbia now lived in integrated school districts.

Most of the areas where Negroes and white persons went to school together were in the border states. With a few exceptions, the "Deep South" generally was holding firm against the high tribunal's integration decision of May 17, 1954.

Law and order, supported by Tennessee National Guardsmen with tanks, appeared to be winning out at Clinton, Tenn. Nine of the 12 eligible Negroes attended classes yesterday and then walked to nearby homes in the east Tennessee town. They were taken home in cars previously. Only 257 white children out of the total enrollment of 806 attended classes, however.

At Oliver Springs, 12 miles west of Clinton, a crowd of about 400 broke up soon after arrival of a National Guard reconnaissance patrol from Clinton. Fred Giles, night police chief at Oliver Springs said plans to march on Clinton to "get those Negroes" were abandoned.

Shows Gun, Kills Boy

STUBENVILLE, Ohio (AP)—George Burford Jr. of nearby Tiltonsville was showing two other eight-year-old boys his dad's gun collection yesterday and decided to demonstrate a .22 caliber target pistol.

Sheriff Clarence Eberts said Burford put a shell in the gun and pulled the trigger. The bullet hit James A. Masters, a classmate, in the heart, killing him.

The coroner has not yet ruled, but Sheriff Eberts said he considered the shooting accidental.

Jews Observe Start Of Their New Year

NEW YORK (AP)—Jews gather in temples and synagogues throughout the world at sundown today to observe the start of Rosh Hashanah — the Jewish New Year.

Rosh Hashanah marks the beginning of the 10 high holy days of penitence in the Jewish faith. The period of contrition and religious self-examination will end Sept. 15 with Yom Kippur, the Jewish day of atonement and most sacred day in the Jewish calendar.

Church Weighs Value of New Plan for Aged

LANCASTER, Pa. (AP)—The value of a new method to deal with the pressing problem of the aged — placing them in foster homes — is being weighed by the Evangelical and Reformed Church.

"Christian love cannot countenance the tendency to bury old people alive in state-supported mental institutions where today there are thousands of forgotten older people," delegates to the church's triennial meeting were told today.

The Commission on Benevolent Institutions, which watches over 21 homes for the aged operated by the church in 11 states, reported the church membership is becoming more aware of the growing need for "adequate for the aged."

"We know that at present every one of our homes for the aged have waiting lists which would keep them filled for another two years even if they did not receive a single new application," said the Rev. Garnett O. Adams, superintendent of the Bethany Orphan Home, Womelsdorf, Pa.

"The commission does not feel the foster home plan is the complete answer to the problem or that it would mean we could do away with the homes for the aged," the Rev. Adams said in his prepared address. "But we certainly think it is an important part of the program to serve the aged."

Victor B. Hauck Jr., of St. Louis commission treasurer, said the foster home plan for the aged is being studied at the Bensenville Home Society, one of the 21 homes at Bensenville, Ill.

"The idea is the same as foster homes for children," he explained. First, homes are found that are willing to take older people. Then social workers make studies to determine the compatibility of the home's occupants and the older persons.

The denomination's homes for the aged are supported by local contributions amounting to about 1 1/2 million dollars a year.

Montgomery ASC Has Chairman At Last

MONTGOMERY CITY, Mo. (AP)—The Montgomery County Agricultural Stabilization and Conservation Committee finally has a chairman after two marathon sessions of balloting.

Last Friday the township ASC chairman voted 59 times without breaking a 3-3 deadlock on the two candidates for county chairman, Iran Hall of Wellsville and Raymond Lowry of Montgomery City.

Yesterday, the six township vice chairmen took a four-hour whirl at the problem and after balloting 19 times they elected Hall by a vote of 4 to 2.

HAVE I FORGOTTEN ANYTHING?—Jill Stauter, of Tarrytown, N.Y., is one of several million co-eds faced with the annual chaos of back-to-school preparation. While the guys and gals may be thrilled by the excitement, fathers are wrinkling brows in the face of constantly rising school costs. Estimates by the Tuition Plan, Inc., which finances school and college costs on the installment plan, show that the cost of a school year has more than doubled since 1940—averaging now \$1,800 in a typical private university.

Cool Air Continues To Move Eastward; Showers Prevalent

Cooler air continued to move eastward today and had overspread the Great Lakes region.

In northern sections of the Great Lakes temperature drops were sharp. Grand Marais, Mich., had a drop of 21 degrees, from 59 Monday night to 38 late last night. Temperatures elsewhere in the area mostly were in the 40s, with a few in the 30s.

Showers and thunderstorms were reported from the western Great Lakes westward through the upper Mississippi River Valley, the northern portions of the middle Mississippi Valley and through the Northern and Central Plains States. At Grantsburg, Wis., 1.14 inches of rain fell in a six-hour period. St. Cloud, Minn., had 1.12 inches.

Rain also fell along the Gulf of Mexico Coast, with Apalachicola, Fla., reporting 1.68 inches in 24 hours. The Southeastern portion of the country also had widely scattered showers.

Wrong Turn

SEATTLE (AP)—John Brooks is a good prospect for the "Don't ever try to teach your wife to drive" club.

The 50-year-old Seattle man was giving his wife her first lesson behind the wheel Friday evening. He told her to turn right. She did. The only trouble was that there was a utility pole there.

Brooks was treated at a hospital for a bumped head.

MEHORNAY'S

Bridal Shower Given Honoring Mrs. Bill Cline

A bridal shower was given by Mrs. John E. Craig, 1408 South Ohio, and Mrs. H. Wesley Cline, 131 State Fair Blvd., at the Elks Club, Thursday evening in honor of Mrs. Bill L. Cline, who before her recent marriage, was Miss Loretta Harper.

The room was beautifully decorated in the bridal motif with white crepe paper streamers, white wedding bells and white candles.

The gift table was covered with a lace table cloth and in the center was a small umbrella, decorated with white crepe paper, white streamers, white bows, adorned with two pink velvet roses, around which were the gifts.

The bride was presented a dainty white organdy and lace keep-sake apron, on which all the guests had written their names. One "quiz" game was played and the prize was won by the honoree.

Refreshments were served to 35 guests. The honoree received many beautiful and useful gifts.

Hold Picnic Honoring The Keith Cook Family

A picnic supper was enjoyed Sunday night, Aug. 16, at the Sweet Springs park for Mr. and Mrs. Keith Cook and four sons who were visiting Mrs. Cook's parents, Mr. and Mrs. Hayman Higgins, Houstonia. Those present besides those mentioned were Mr. and Mrs. Raymond Stockhurst and family, Mr. and Mrs. J. C. Higgins, Mr. and Mrs. John Higgins, Mr. and Mrs. Bob Higgins, all of Houstonia; Mr. and Mrs. Higgins Warren and Mrs. Mary Warren, LaMonte; Miss Ruby Higgins, Kansas City, Mr. and Mrs. Tommy Warren and daughter, Centralia; Mr. and Mrs. Smith Higgins and Mr. and Mrs. Edwin Berry of Sweet Springs.

CWF Meets Thursday At First Christian

The Christian Women's Fellowship of the First Christian Church will hold its first fall meeting Sept. 6. Mrs. C. F. Scotten, program chairman, will present the program, "64,000 Questions," while Mrs. Garnett Hagart will lead the worship service commemorating the CWF birthday.

An executive meeting will be held at 11, with a covered dish dinner at 12:15 and the program at 1:15.

Give Shower for Girl

Mrs. Anton Gerke, Mrs. Charles Shay, Mrs. Victor Spady and Miss Rosaline Stocklein, Pilot Grove, honored Miss Barbara Bock with a miscellaneous shower Sunday afternoon at St. Joseph's School hall. Miss Bock, daughter of Mr. and Mrs. Emil Bock, Pilot Grove, will leave Aug. 30 for Fort Smith, Ark., where she will enter St. Scholastica Convent as a novice. Refreshments were served.

Social Events

Miss Joella Brereton, Society Editor

Whittier Executive Committee In Session

The Whittier Executive Committee met with Mrs. T. E. Owens Friday, Aug. 31, in an all-day meeting with a large attendance. Much was accomplished throughout the day. Stress was put upon encouraging the fathers to participate more in PTA work and to have plenty of time at the meetings to get acquainted with the new members, to make them feel they are welcomed and needed to make the year a successful one.

Interesting programs for both the teachers and parents are being planned. A nursery for children six and under will be provided to enable parents with small children to come to the meetings.

There will be nine meetings during the year with five at night and the remainder in the day, with each meeting the third Friday in the month.

Two money making projects have been planned and are an ice cream social Sept. 27 and a chili supper later. Plans to purchase lunch room tables and a movie projector for the school have been discussed. Room prizes will be given to the room upstairs and the one downstairs for having the largest PTA attendance, and another prize for the rooms having the largest percentage of PTA membership.

The parent education class will meet every fourth Friday with one o'clock covered dish luncheon with the first to be Sept. 20.

Mary Beth Ketterlin Celebrates Birthday

Mrs. W. H. Ketterlin, Tipton, entertained with a party Friday, Aug. 25 at her home honoring her daughter, Mary Beth on her ninth birthday.

The following guests were present to help her celebrate: Mary Carolyn Wolf, Lynn Luebbert, Ruthie Knipp, Sue Ellen Lappat, Jane Lutz, Phyllis Wolf, Linda Kuttentkuler, Janet Kuttentkuler, Jean Kuttentkuler, Joyce Claas, Dorothy Fischer, Cindy Sue Norman and her sisters, Barbara and Jane. After playing games, Mary Beth opened her lovely gifts. Mrs. Ketterlin, assisted by Mrs. Ruth Norman, served refreshments.

Hold Picnic

The Homebuilders Class at Cumberland Presbyterian Church had a picnic Monday night at the Vermont Park. Hostesses were Mrs. Lee Parker and Mrs. Johnnie Swisher.

Square Dance Patter

THURSDAY

Johnny Le Clair, Burrus, Wyo., will call the square dance which will be held at Whittier School starting at 8 p.m.

Nancy Hofstetter, 15, Has Birthday Party

Mrs. Lester Hofstetter, Tipton, entertained with a birthday party for her daughter, Nancy, Sunday afternoon from 2 to 4. After playing games the guests were served refreshments. The table was centered with a birthday cake adorned with 15 candles. Favors, place cards and napkins carried out the pink, yellow and white color scheme. The honoree received many lovely gifts. Present were Mary Ann Dick, Sandra Brauer, Coleen Fry, Barbara White, Martha Proctor, Sue Bet Lloyd, Nancy and Phyllis Hofstetter. Mrs. Hofstetter was assisted by her mother, Mrs. L. H. Moser of Clarksburg, and her sister, Mrs. Raymond Dick.

About Town

The Rev. and Mrs. Doyle Ross Mabry are now residing at 641 East Fifth.

Mrs. Ruth Haerle, 1511 South Vermont, is home from Liberal, Kan., where she spent six weeks with her daughter and son-in-law, Mr. and Mrs. James R. Smith.

R. A. Mosby and Gertrude and Patty Elkins are home from Detroit, Mich., where they visited Walter Mosby and other friends. They visited Stag and Walpole Islands in the St. Clair River and made a trip to various towns in Canada.

Pilot Grove Women Attend WSCS Meeting

Mrs. Stanley Schlotzhauer, Mrs. Laura Mowrey, Mrs. Marvin Schupp, Mrs. Joe Rybak, Mrs. J. A. Brownfield and Bonnie Bean, Pilot Grove, attended the meeting of the Cooper County Zone of the WSCS at the Bellair Methodist Church.

Churches in the zone represented were Pilot Grove, Prairie Home, Boonville, Blackwater, Wesley Chapel and Bellair. The meeting was opened at 10:30 a.m. by the president, Mrs. Carl B. Day, Boonville.

The morning devotion was given by Mrs. Joe Rybak, Pilot Grove, whose topic was "Neighbor and Neighborliness." Special music was given by Bonnie Bean, Pilot Grove.

Mrs. J. A. Brownfield offered prayer. During the business session a report on the Spiritual Life

Calendar for September and October was given by Mrs. Dale Allison.

A program was given after a covered dish dinner served at noon with the Bellair group as hostesses. The meeting was dismissed with prayer.

Guernsey Exhibits Show Big Increase

Guernseys had one of the heavy 1956 Missouri State Fair Dairy exhibits with full classes and many set out of the money by C. L. Norton, Stillwater, Okla., judge of the breed show. Oral reasons were given to ringside fans and exhibitors by Dr. Norton after each class.

There was an increase of about fifty head in this year's entire open dairy exhibit over the 1955 show. Many exhibitors showed in the open classes. Olen Moncees, of Smithton, Mo., assisted by Paul R. Cornelson, Columbia, was Superintendent of the Sedalia Dairy Department.

Dr. Max S. Peters, Champaign, Ill., has joined his family here in the home of his wife's parents, Mr. and Mrs. R. C. Stephens, for a visit.

John and Neil Moore, Hannibal, spent a week here with their grand mother, Mrs. Minnie Milburn. Halbert Sanders, son of Mr. and Mrs. Oscar Sanders, enlisted in the Air Force and is now stationed in Amarillo, Tex.

Mr. and Mrs. Allie Brizendine had as Sunday visitors, Mr. and Mrs. Glen Brizendine and family, Jefferson City, and Mr. and Mrs. Richard Jobe and family, High Point.

Dr. Max S. Peters, Champaign, Ill., has joined his family here in the home of his wife's parents, Mr. and Mrs. R. C. Stephens, for a visit.

1956 Entries In Rose Show Are Doubled

The Rose Show at the 1956 Missouri State Fair nearly doubled the 1955 show in both entries and number of exhibitors according to Oscar H. DeWolf and Ed Brummel, Sedalia, co-chairmen.

The show was judged by Mrs. J. W. Steele, North Kansas City, and Mr. Earl Thomas, Des Moines, Iowa, accredited judges of the American Rose Society.

Mr. and Mrs. Paul Nagel, Independence, showed the Grand Champion and Queen of the show, "Peace" rose. This was also awarded the Gold Certificate of the American Rose Society. The silver Certificate winner was "Helen Traubel" shown by Mrs. Ed Brummel, Sedalia, and the Bronze Certificate winner was "Rubydaisy" grown by Ed Brummel, Sedalia.

The prizes were awarded as follows:

Single Bloom of "Peace" rose

2. Mrs. A. A. Ferguson, Sedalia.

Single Bloom of "Crimson Glory"

1. Mr. Ed Brummel, Sedalia.

Single Bloom, any other Red

French Youth Is Speaker At Optimists

The problems of France were discussed by Claude Chaudron of Paris, France, in his talk before the Optimist Club Monday noon at the Bothwell Hotel.

Young Chaudron, who is an exchange student sponsored by the Sedalia Rotary Club, told of the trouble now going on in Algeria, which has been under the French government for 130 years and over which France not only must fight its enemies the Communists but also the United States, which is supposed to be its friend. Claude explained the situation that is going on there and of the need of greater understanding of his country. Algeria, he said, is not strong enough for its freedom, and France needs it also. He pointed out that Russia doesn't need a third world war to win because it so easily gets countries on its side without war. This could happen to France, he said, where it is possible the Communists could get in power. America, he said, could not afford to be alone.

There could never be a United States of Europe, Chaudron told the club, because the people of the various countries do not live alike, think alike, talk alike. It would be like having Mexico as part of the United States, which could never happen.

We must trust a little more in each other, said the young student, there must be a stronger economy, a stronger policy and a greater trust between the nations of the western world if they are to exist. He told the Optimist Club he was grateful for the opportunity given by the Sedalia Rotary Club to come here and study the American way of life and to also tell of his own country in an effort to bring about a better understanding between the two countries. He urged the Optimists to also, at some future date, bring to Sedalia some boy of any of the countries for the same purpose which he believes is a wise investment in keeping peace in the world.

Claude was introduced by Dr. D. R. Edwards.

The meeting was presided over by Dr. Charles J. Blaich, president, with invocation by Dr. H. O. Wilbur. Charles Hanna led the singing with Miss Lillian Fox at the piano.

Grover Whitaker was introduced as a guest.

Weatherman Proves Correct in Long-Term Prediction for State

KANSAS CITY (AP) — The limb weatherman H. J. Jacobson climbed out on last June 21 has held firm.

On the first day of summer, the chief forecaster of the Weather Bureau here predicted Kansas and Missouri could expect hotter and drier weather than normal during the summer months.

There were some good rains in various localities, but on the average, both in precipitation and in temperature, he was right.

For the past five years, Jacobson has come out with a forecast of weather things to come for the summer. Each time, he's hit the bull's eye fairly well.

For June, July and August, 2.46 degrees above normal and its rainfall average was 1.27 inches deficient. Missouri temperatures were .91 of a degree above normal and its precipitation averaged .60 of an inch below normal.

For the past five years, Jacobson has come out with a forecast of weather things to come for the summer. Each time, he's hit the bull's eye fairly well.

OBITUARIES

Lloyd Dobson
Lloyd Dobson, 33, Cross Timbers, a brother of Mrs. Irene Koehler, Sedalia, fatally injured a few weeks ago in an automobile accident, died at the Missouri Sanatorium, Mt. Vernon, where he was removed after first being in a hospital at Humansville. The car accident was near Avery, Mo.

Funeral services were at the New Home Church northwest of Cross Timbers, the Rev. Fred Bill Glazebrook officiating. Burial was in the cemetery nearby.

Surviving are: three daughters, Mrs. Thelma Dickerson, Mrs. Lela Shaffer in California and Mrs. Archie Rosencutter, Jeron, Okla.; two brothers, Floyd Dobson in Idaho and Ferrell Dobson, Wheatland; two other sisters, Mrs. Myrtle Pipe, Kansas City and Mrs. Lillian Harland, Redlands, Calif.; and four grandchildren.

Mrs. Nellie Sullivan
Mrs. Nellie Sullivan, 91, died about 1:30 a.m. Sunday at the home of a niece, Miss Nell Coffey, Route 1, Sedalia. She had lived with her niece the past four years. She was born in Ottaville March 20, 1865, daughter of the late Michael and Dora Brannen.

In 1898 she was married to Daniel Sullivan at St. Patrick's Church Spring Fork. He preceded her in death in 1942.

Mrs. Sullivan was member of St. Patrick's Church.

She is survived by one sister, Mrs. Mary Shields, Hannibal; one niece, Miss Coffey; two nephews, Leo and John Coffey, of Spring Fork; four other nieces and one other nephew.

One sister preceded her in death. The body was taken to the McLaughlin Funeral Chapel where the rosary was recited Monday evening.

Funeral services were held at 9 a.m. Tuesday at St. Patrick's Church, Spring Fork. The Rev. Steinwachs officiated.

Palbearers were Paul Chmeir, Edwin Bruhl, Ed Goss, Jennings Donahoe, Frank Smasal and Paul Meyers.

Burial was in the St. Patrick's Church Cemetery.

Mrs. Louise Albertine
Mrs. Louise Albertine, 71, wife of Julius Albertine of near California, died at 5:45 p.m. Sept. 4 at Latham Sanatorium, California, where she had been a patient eight days. She was born April 23, 1885, in Jacksonville, Ill., daughter of Carl and Sophia Wall Burnmeister.

She came to Missouri with her parents in 1894. She was married to Julius Albertine Aug. 9, 1910, who survives.

Also surviving are: one daughter, Miss Clara Albertine of the home, and one sister, Mrs. Charles Osterly of near California. Two daughters preceded her in death, Augusta Charlotte, Nov. 3, 1918, and Sophia Louise, April 24, 1931, as did one brother.

She was a member of the California Evangelical and Reformed Church where funeral services will be held Thursday Aug. 6 at 2 p.m. with the Rev. E. L. Koch, pastor, officiating. Burial will be in the Boeckhaus Cemetery near California.

The body is at the Wilson Funeral Home in California.

George W. Dowler
George W. Dowler, 84, died at 6:45 a.m. Tuesday after a long illness at the home of his niece, Mr. and Mrs. L. W. Howard, southeast of Tipton. Mr. Dowler was a resident of the Fortuna area most of his life and was a retired farmer.

He was born in Cooper County on April 12, 1872, the son of Thomas E. and Catharine A. Johnston Dowler.

Mr. Dowler was married to Laura Belle Ivy on March 4, 1900. Mrs. Dowler preceded him in death on July 20, 1932.

Survivors are: two nephews, Bert Ivy, Kansas City, and Dr. Gregory Ivy, Randleman, N. C.; his niece, Mrs. Howard; a half-sister, Mrs. Sadie Starling, Pomona, Calif.; and several half-nieces and half-nephews all of California.

He was a member of the Moreau Cumberland Presbyterian Church. Funeral services will be held at 2 p.m. Thursday at the Fortuna Methodist Church, with the Rev. J. L. Freeman officiating. The church quartet will sing "Last Mile," "Going Down the Valley," and "The Old Rugged Cross."

Palbearers will be Clay Howard, Raymond Elliott, Edgar Drake, D. E. Devine, Charles Lawson, and Wad Bridges.

The body will be at the Richards Funeral Home in Tipton until 1 p.m. Thursday.

Burial will be in the Green Grove Cemetery.

Frank Meyer
Funeral services for Frank Meyer, 49, who died at the Bothwell Hospital Monday, were held at the Ewing Funeral Home at 10 a.m. Wednesday.

The Rev. Leonard Reifel, pastor of the Federated Church, officiated.

Mrs. W. L. Lewis sang "Some-time We'll Understand" and "No Night There" accompanied by Mrs. Duane Ewing at the organ.

Palbearers were Clyde Ferguson, John E. Farris, Ernest Frederick, Herman Klatt, Martin Smith and Everett Kline.

Burial was in the Crowa Hill Cemetery.

George C. Dorris Rites
Funeral services for George Churchill Dorris, retired Missouri Pacific engineer, who died Mon-

Bridal Section Is Enlarged--

Flower's Adds An Escalator, Remodels, Presenting Entirely Different Top Floor

Flower's did not have a grand opening for its new top floor, but Tuesday everything was in readiness and the first escalator, or moving stairway, in Sedalia was soon moving upward to the modern and beautiful addition to the store. The stairway that takes you down, and up, too, if you don't want to ride the escalator, is at the back of the store where the stairway has always been, and there is a second set of steps that continue on up from the balcony.

The retail merchants were invited to see the second floor at 9 a.m. Tuesday before it was opened to the public at the regular store hour, 9:30 a.m.

The escalator is on the north side of the building and goes to the front part of the second floor which looks like an exclusive city store. It is a spacious place with softly tinted walls and two-tone gray carpeting on the floor and is divided by a series of fitting rooms and three archways leading through to various departments. Near the front is the large archway, on the east wall of which is an exquisite hand-decorated mural of Paris 100 years ago, with the Eiffel Tower and other famous structures of Paris forming the background. The street of Paris is filled with people in colorful clothes and at one corner is

the flower peddler surrounded by bright flowers. The mural covers the entire wall and in front of it is a sofa of aqua wrought iron with matching glass top tables on either side and two aqua chairs. The cushions of the sofa and chairs are of salmon pink.

At the front on the north side of the floor is the millinery department with its array of new fall hats, two salmon pink wrought iron dressing tables with glass tops and aqua cushions on the benches. The fixtures are of maple and the woodwork of the entire floor is Carolyn gray. The walls are French gray but seem to reflect another color with more of a pinkish shade in parts of the room.

The large archway leads to the women's department and starts with the "Little Women" of the Young Deb Shop. The wall is light violet with Harlequin designs placed effectively high on the wall. The drapery for the little dressing room is of the same design and here the young girls may find their needs in coats, sweaters, shirts, dresses and undies. This shop is at the front and next to it is the bridal room.

With Flower's becoming the bridal center of Central Missouri, it found one bridal room not adequate, so it now has two bridal rooms, with the large stock of lovely gowns in between. It always has on hand about 50 wedding gowns plus bridesmaids dresses. One of the rooms which is called the Antique Bridal Room, has walls of bride's blue shade with a hand-decorated rose swag of pink roses. The carpet is garnet with satin draperies of matching shade. There is an antique love seat, white with rose design, and upholstery of royal purple. The matching chairs have garnet upholstery. On one wall is a full-length mirror and on another a row of pictures of perhaps 10 or 12 of the 400 brides that have been fitted out in the first bridal room. The other room, which is called the Modern Bridal Room, has sage green walls with wisteria vine design growing up a white wrought iron trellis and across the side of one wall. The furniture in this room is of white wrought iron with grape pattern and the upholstery is purple. The draperies are purple and the carpet gray.

The rest of the south side of the floor is devoted to the dresses, suits and coats of girls and women. Placed around the room and adding to the attractiveness are the old fashioned ice cream soda chairs in green and pink, turquoise and ivory or pink and turquoise. In the center of the room is the black accessory cart with its large wheels of narrow iron and thin spokes, the metal base with lace-like edge and the smaller tray of the same type above. On the top is a brass knob, and round brass knobs are on the rods at either end. In the cart, prettily displayed, are purses, scarfs, gloves and jewelry.

On this floor, too, is the department for foundation garments and bras. For this there is a special fitting room back of which is the stock room. The fitting room has peach colored draperies with table and chairs to match.

The fitting rooms have pale olive walls with Italian mosaic draperies with metallic thread. The furniture is in green and in each room is a full-length mirror.

It is the back of the long room is the alteration department.

On the north side of the floor is the Lollipop Shop with complete children's department for girls from 3 to 6 and 7 to 14 and boys from 4 to 16. High on top of the shelves is the display space where on one side are the Woody Kids, manikins all dressed up in the latest styles for youngsters, and on the other side are huge lollipops in different colors. Up there, too, are the stuffed toy Smith-Cotton tigers of orange color with black and gold checkerboard jackets and big green eyes that roll. In this department, also, is the Girl Scouts Shop. The older boys' section is apart at the extreme back and has a separate fitting room. There are fitting rooms for the children right beside the Lollipop section and there is a little table to stand small youngsters on for fitting, too.

A small restroom is in the northwest corner which is not quite complete but will have pink tile floor and pink draperies.

At the end of the room, where the stairway is located, is a Caribe scene on the entire wall, with foliage, a big bird cage with several birds and sea creatures, which may be seen above an old wall that seems to be crumbling. Black wrought iron is used for the stairway railing.

Mrs. Virginia Flower, owner, has moved her office to this floor, too, just off the millinery department at the front. Here is her desk, a green sofa, a gold upholstered chair and a large mirror. The paper is gray and green with a touch of yellow, a shutter design looking out on the countryside beyond. The drapery is beige.

At the end of the room, where the millinery department has always been, will be a lounge with bamboo furniture. The office, too, will remain on the balcony, and to it has been added a sensimatic machine and a new microfilm machine.

The new floor has added about 6,000 square feet to Flower's store, and other departments of the store will be rearranged later.

day at the company hospital in St. Louis, were held at 2 p.m. Wednesday at the McLaughlin Funeral Chapel, the Rev. Kenneth Davidson, pastor of the East Sedalia Baptist Church, officiating.

Mrs. Virgil Wills and Mrs. J. M. Stott sang "The Old Rugged Cross" and "Rock of Ages" with Mrs. Clyde Waters at the organ. Burial was in Crown Hill Cemetery.

Leo Pat Ryan Services
Funeral services for Leo Pat Ryan, Missouri Pacific engineer, who died Tuesday morning at the company hospital in St. Louis, will be at St. Margaret's of Scotland Church, St. Louis, at 9:30 a.m. Thursday, with burial in Calvary Cemetery there.

Mr. Ryan was a member of the Loyal Order of Moose in Sedalia, BPO Elks Lodge No. 513, Jefferson City, and the Brotherhood of Locomotive Firemen and Enginemen.

The body is at the Schnur Funeral Home, St. Louis.

Clayton Lee Staats Rites
Funeral services for Clayton Lee Staats, Route 1, Green Ridge, who died at Windsor Hospital Monday evening, were held at Hickory Point Church at 2 p.m. Wednesday. The Rev. Robert M. Lehigh, Sedalia, and the Rev. Jerry Moon officiated.

Music was by Eldorado friends with a solo by the Rev. Jerry Moon. Mrs. Rosalee Elkins was pianist. Songs were "Beautiful Garden of Prayer" and "The Wonderful Day."

Palbearers were Wallace Bulard, Stuart Allen, Elmer Lawler, Clyde Galloway, Leo Spicard and Richmond Allen.

He was the son of George W. and Mary Ellen Staats and was born Nov. 21, 1879, at Fairfield, Iowa.

On Oct. 23, 1901, he was married to Laura May Wilson of Hume, Mo. To them were born 3 children: Clyde Staats, Mayview, Mo.; Mrs. Earl Clevenger, Sweet Springs and Mrs. Cletis Allen of Windsor.

He united with the Underwood Methodist Church at Hume, Mo., in 1900, later moving his membership to the Eldorado Methodist Church near Green Ridge, where he had resided since 1914.

He had been a steward of the Methodist Church for 36 years and treasurer of the Eldorado Methodist Church since the church was built.

He is survived by his wife, of the home; his three children; seven grandchildren; two great-grandchildren; and one brother, Ralph W. Staats, Kuna, Idaho. Two sisters, Mrs. Elga Johnson and Mrs. Cora Johnson, and one brother, Ross B. Staats, preceded him in death.

Marriage Licenses

Carlton G. Harris and Adolphine Vaughn, both of Perry, Ia.

Accidents

Police were notified at 4:05 a.m. a car was in a ditch just west of Smithton on Highway 50. Upon investigation, a 1950 Mercury was found to have nosed into the ditch, doing slight damage.

State Patrol Sgt. E. W. Van Winkle answered the call and found William Bellamy, Gravois Mills, sitting in the car asleep. He was brought to Sedalia and got the Chamberlain wrecker to tow the car back to Sedalia to the Chamberlain garage.

It was reported the clutch on the car had gone out when an attempt was made to back the car out of the ditch. The car nosed into the ditch when it was being turned around.

H. A. Hosmann, Warsaw, fell from a ladder Monday morning and broke his arm and cut and bruised his face.

Police Reports

A water main in the 300 block on North Quincy was reported broken at 6:40 p.m. Tuesday. The water company was notified.

Police noted night lights at the Home Lumber Co. and the Dorn-Cloney Laundry were out about 10:35 p.m. Tuesday.

Circuit Court

Juanita Fennell was granted a divorce from Huston Fennell on grounds of general indignities. Harold Barrick was attorney for the plaintiff.

Harold A. Palmer was granted a divorce from Hedwig L. Hayden Palmer on grounds of general indignities. Lamm and Barnett represented the plaintiff.

Cases that have been set on the criminal docket for hearing are: State vs. James Leo Jackson, an appeal of a careless and imprudent driving charge from Magistrate Court, Oct. 8.

State vs. Robert James Norwalk, manslaughter, Oct. 9.

State vs. James O. Tindell, two counts of forgery, Sept. 10.

Cases that have been set in the civil division are: Roy Smith, Jr., vs. Ronald Dean Fisher and Ralph Portner, damages, Oct. 10.

Sylvia P. Smith vs. Ronald Dean Fisher and Ralph Portner, damages, Oct. 10.

John Henry Hontz vs. C. E. Ellis and others, damages, Oct. 1.

Lucy Lewis Sadler vs. Fred Phillip Neffendorf, damages, Sept. 26.

Evelyn Cochran vs. Elliott P. Schupp, damages, Oct. 3.

Samuel C. Scott vs. William C. Walk, damages, Oct. 4.

State vs. Joe E. Thompson and others, condemnation, Sept. 24.

Dale Franklin Kamben, White-man Air Force Base, was sentenced Tuesday to two years at Algoa Farms on a charge of assault with intent to rob.

According to the information filed in Circuit Court, Kamben and a companion were attending the State Fair and ran out of money. They then decided to take money from someone. While walking through the grounds, Kamben picked up a two by four club. In the meantime, Kamben's companion backed out and left the grounds.

Kamben walked through one of the barns and struck a youth who was asleep. After striking the youth, Kamben decided to aid him. When another person came to give help, Kamben slipped off. He was arrested in another barn by the State Patrol.

Magistrate Court

Roy D. Galloway, Windsor, was fined \$25 and costs on a charge of not keeping his car under proper control. Galloway pleaded guilty.

William A. Spillman, Kansas City, was fined \$25 and costs Wednesday morning and the fine was remitted on a charge of passing on a hill. Spillman pleaded innocent.

Samuel Sanders, Smithton, was fined \$5 and costs Wednesday morning on a charge of driving a vehicle with an improper license. Sanders pleaded guilty.

City Council

(Continued from page one)

with bridges with concrete walls, footings and concrete flooring in the ditch. The Council approved the improvements.

The following ordinances were given final passage: the tax levy ordinance; four ordinances approving and accepting work done and improvements made on (1) paving with a hot-mix mat coat of Fifth Street from Lamine to Engineer by the Schroeder Construction Co., (2) Kentucky from Broadway north to the MKT siding tracks by Schroeder Construction Co., (3) sewer constructed in District 124 by J. W. Atkinson Construction Co., and (4) sewer constructed in District 120 by V. A. Siegel and Son; letting the contract to pave Stewart Ave., from 16th Street north to 12th Street with a hot-mix asphalt mat coat; and letting the contract to pave West 11th from State Fair Blvd., west 212 feet with a six-inch rock base with a hot-mix asphalt seal coating.

Resolutions passed were: curb and guttering for First St. Terrace, Gentry to State Fair Blvd.; curb and guttering on Second Street, Gentry to State Fair Blvd.; curb and guttering on Gentry from Second to Main Street; paving of Gentry with a six-inch rock base, to be seal coated, from Second to Main; and the same type of paving on First Street Terrace and Second Street, from Gentry to State Fair Blvd.

Councilman Dr. Ira White moved the Council have two blinker lights on Broadway removed, one at Emmett and the other at Hancock. The Council approved the motion.

Councilman Moore, chairman of the sanitation department, asked permission to spend \$245 for necessary repairs on one of the city garbage trucks. It was approved.

The following liquor licenses were approved: J. J. Filicetti, for Duffy's Tavern, 1503 South Ohio, for five per cent beer; Roy Kicherfor, for liquor by the drink at the Pacific Cafe; and Crown Drug Co., to sell package liquor.

It was reported by the police department that \$4,076 in fines were collected for the month of August.

A petition was read from property owners on West Fifth from Limit to State Fair Blvd., asking for curb and guttering. A resolution was then read and passed by the Council, calling for an ordinance to be drawn.

A petition of two property owners on Sneed between Third and South was read, asking for curb and guttering to be constructed under private contract. It was approved by the council.

All property owners between Third and Fourth on Sneed petitioned the Council to pave the street with a six-inch rock base to be primed and seal coated with a hot-mix asphalt.

The city engineer, in a report, announced the sewer in District 125 had been completed and was ready for acceptance. The Council approved the report.

Bids on the construction of a sewer in District 128 were opened. T. O. Lime Co., Earl Thomas, bid \$3,902.50; V. A. Siegel and Son, \$3,867.50; and J. W. Atkinson Construction Co., \$3,910.

The engineer's estimate was \$3,957.50. An ordinance letting the contract to V. A. Siegel and Son was read for the first time.

Bids on paving of three alleys with a hot-mix asphalt mat coat were opened. The W. J. Menefee Construction Co. bid \$10.24 per ton; Schroeder Construction Co. bid \$10.18 per ton; and the engineer's estimate was \$10.25. An ordinance was read for the first time awarding the contract to the Schroeder company.

W. A. Rayl and Son was the only firm bidding on curb and guttering for Hancock between 13th and 14th and an ordinance was drafted letting the contract at \$1.50, the engineer's estimate being \$1.68.

The W. J. Menefee Construction Co. was low bidder on the paving of Beacon from Broadway to 16th, at \$1.33 per square yard. An ordinance was read for the first time awarding the contract. Schroeder and Co. was the only other bidder at \$1.39. The engineer's estimate was \$1.38.

An ordinance was read for the first time accepting the work done, materials furnished and improvements made in the construction of a sewer in District 125 by the J. W. Atkinson Construction Co., and an ordinance read accepting curb and guttering by W. A. Rayl and Son on Beacon from Broadway to 16th was read for the first time.

The city bills for the month were read and approved. They were: police department, \$1,625.31; sanitation department, \$1,800.

CONVERTIBLE SCOOTER—Disgusted with fighting the elements, a Berlin, Germany, student came up with this do-it-yourself cockpit affair. From scrap materials, he made a shatterproof glass and metal hood that allows him to keep a dry head, no matter what.

Bid For '57 Tournament Here— Osage Bowmen Place in State Championship Over Weekend

Sedalia was well represented at the Missouri Bowmen's Championship tournament held at Cape Girardeau last weekend with several of the local archery enthusiasts, members of the Osage Bowmen's club, placing high in the various events.

Some 140 archers from over the state competed in the shoot, along with shooters from Michigan, Illinois and Arkansas on hand to watch the championship archery.

The championship shoot, which started Saturday and continued through Monday, was won by Bob Brandt, St. Louis, with a score of 1349. A total of three rounds were shot, Field, Hunters and Big Game. Lon Stanton, former champion, Lake Ozarks, was second with 1322; Jim Fletes, St. Louis, was third at 1233; and Leroy Young, one of four Sedalians to place in the event, was fourth with 1192.

In the Bowmen class, Junior Pirtle of Sedalia won first place with a 993 score.

The women's championship was captured by Joan Curran, St. Louis, with 859 of a possible 1000. Second was Annabel Watkins, Cape Girardeau, at 780; Mrs. Aneta Young, Sedalia, nailed down third place with a 729 score, and Nina Henderson, former champion, Clinton, placed fourth with 723.

Mrs. Zona Rose of Sedalia was the winner of the Archer class with a 666 total.

The tournament was concluded with a novelty shoot on Monday which included a one-shot big game class and a Robin hood round. This event was won by both the men's and women's champions previously decided in the championship shoot.

Other Sedalians who participated in the state event were Hugh Collins, Neal Rose, Mr. and Mrs. Lauren Williams and daughter, Linda, Chick Pirtle and son, Shelby.

Championship trophies and medals were presented to the winners at a banquet held Sunday night.

The Osage Bowmen's club has made its bid to bring the state championship to Sedalia next year and is seeking assistance from local merchants. Accommodations of at least 200 members of the state organization by the sponsoring club is necessary for its city to be chosen as the tournament site.

Oddsman's Nightmare— Detroit, Wichita, Houston Run Evenly in Valley Race

By JIM VAN VALKENBURG
The Associated Press

The football title chase in the far-flung Missouri Valley Conference promises to be an oddsman's nightmare this fall with Detroit, Wichita and Houston running shoulder-to-shoulder.

Wichita and Detroit divided the championship in last year's confusing race. Only Tulsa's upset of Houston prevented a three-way tie.

Both ambitious Tulsa and Oklahoma A & M, stocked with fleet sophomores are given a chance to emerge on top.

Wichita Coach Pete Tillman, a former Oklahoma center, says: "I think we have as good a chance as anyone to win the Valley but this will be the conference's best year and anyone can win it. The Valley winner definitely will be a team that deserves national ranking."

Detroit's silver-haired Wally Fromhart, 43-year-old former Notre Dame quarterback voted Valley coach of the year last season, said he's counting on quarterback Steve Piskach to give Detroit the accurate forward passing it lacked in 1955. The biggest problem is rebuilding the line from tackle to tackle. He admits the Titans are strong at end.

Bill Meek of Houston, the former Tennessee blocking back, predicts the Cougar offense will be improved.

"We have bigger, faster backs and may play a more wide-open game," he said. "Our passing should be improved. Don Flynn was throwing the ball all over the lot in the spring."

Last year every Valley coach except Fromhart was starting his

Indianapolis May Win Second Time In 3 Years Tonight

By The Associated Press

Indianapolis can snap up its second American Assn. pennant in three years tonight, if Charleston dumps Denver and the Indians topple last-place Louisville.

Louisville tried to give Denver's fading early season leaders a boost by dumping Indianapolis 3-1 Tuesday night, but the Bears took a 5-1 thumping from Charleston.

Meanwhile Omaha and Minneapolis strengthened bids for first division finishes and playoff berths. Omaha stopped Wichita 4-1, in a rain-abbreviated 7-inning contest.

Minneapolis halted St. Paul's march out of 5th place, 6-5.

Omaha made it two out of three over Wichita. The Cardinals picked up a pair of runs in the first inning on Dan Schell's single. They scored two more in the seventh when Chuck Harmon hit his 10th homer. Wichita's lone run came on a walk, two singles and a sacrifice fly.

Lew Hoad Says He Is Not Interested

FOREST HILLS, N. Y. — Here's a tip to promoter Jack Kramer — Lew Hoad, the hottest commodity on the amateur net market, is not for sale.

"I am much less interested in turning pro this year than I was a year ago," the Australian said today.

"I haven't been approached by Kramer or anybody else. I haven't thought about turning pro. As of the moment, I'm not interested."

Already winner of the Australian French and Wimbledon championships, Hoad can complete a rare tennis slam by capturing the U.S. title this week.

Defeat Braves 4 to 2—

Cincinnati Redlegs Certain To Win Baseball Honors

By JOE REICHLER
The Associated Press

Win, lose or draw, the Cincinnati Redlegs are almost certain to walk off with the following honors this year:

1. The most successful extra-inning club in the major leagues.
2. The most powerful home-run hitting crew in big league history.
3. Possessor of the National League's rookie-of-the-year in Frank Robinson.
4. Owner of the No. 1 relief pitcher in both leagues in Hershel Freeman.
5. Having the manager-of-the-year in Birdie Tebbetts.

The amazing Redlegs solidified their hold on all five honors last night by handing the front-running Milwaukee Braves a stunning 4-2 defeat in 10 innings, made possible by Robinson's 37th home run and Freeman's 30th victory-bringing relief job. The Reds' brilliant fireman received credit for his 12th victory. He has saved 18 other games for Cincinnati.

The Reds' triumph, their second in a row over Milwaukee after a seemingly disastrous opening game defeat in Monday's double-header, boosted Tebbetts' never-say-die outfit into second place a half game ahead of Brooklyn and 2½ lengths behind the Braves.

It marked the 10th consecutive overtime triumph for the rampaging Redlegs, who have fought back into contention after having been counted out more times than a glass-chinned fighter.

In the only other National League game played last night, the New York Giants thumped Philadelphia 7-2 under the lights. Cleveland's hopes of overtaking the American League leading New York Yankees became dimmer than ever when the tail-end Kansas City Athletics dumped the second place 5-2 to drop the Indians nine games behind New York.

Chicago's third place White Sox climbed to within two games of the Tribe by whipping Detroit 11-4 and Boston needed a 12th-inning home run by Ted Lepcio to nip Washington 7-6. Baltimore and New York had a day off.

Freeman made his 49th mound appearance for Cincinnati in the ninth with the score tied 2-2, and gave up a leadoff double to rookie Earl Hersh, playing in his first major league game. But he pitched out of the jam by purposely walking Joe Adcock, getting Bobby Thomson to ground into a double play and retiring Bill Bruton on a grounder.

Ernie Johnson was on the mound for Milwaukee in the 10th when Robinson rocked him with a home run to bring the flashy outfielder to within one of Wally Berger's rookie homer record of 38. Singles by Ted Kuszewski, Wally Post and Ed Bailey added an insurance run.

Max Surkont, supported by a 12-hit attack, notched his second victory since joining the Giants two weeks ago with a six-hitter against the Phils. A four-run ninth finished off loser Harvey Haddix.

The Athletics handed Herb Score his ninth defeat with an early attack that included a bases-loaded single by Joe De Maestri. Jack Crimian gained his third victory.

Dick Donovan not only pitched his sixth consecutive complete game victory with a 10-hitter

against the Tigers but helped his cause with a three-run homer off Steve Gromek. Nellie Fox paced Chicago's 13-hit attack with three singles to wrest the lead from Mickey Mantle with 172 hits.

Lepcio added a two-run single to his game-winning home run to give Frank Sullivan his 12th triumph as the Red Sox swept the three-game series from their Washington tormentors.

Redlegs Move Up With Win Over Braves

MILWAUKEE — Birdie Tebbetts and his Cincinnati Redlegs survived a ball that bounced like a tipsy jack rabbit in last night's game with front-running Milwaukee and now figure they're in a good spot to profit.

Cincinnati scored two runs in the top of the 10th inning, one of them on rookie Frank Robinson's 37th homer, to shade the Braves, 4-2, and move to within 2½ games of the leaders.

The Braves, with the help of one of the most peculiar bounces in this or any other baseball season, had square the count at 2-2 in the eighth.

With two on and two out, pinch hitter Frank Torre sent a slow hopper about 15 feet to the second base side of first. Second baseman Johnny Temple, shaded toward first for the lefthanded batter, ran in to field the ball.

As he set his glove to catch it, the ball veered off at a 45-degree angle into short right field. One run scored. Johnny Logan's single then cashed the second run. Temple ran onto the outfield grass and retired the dangerous Hank Aaron with an over-the-shoulder catch for the third out.

Talking about that bounce afterwards, Tebbetts said:

"That might have been the penultimate right there. I thought at the time 'everything breaks for them and this was it' but they didn't get it, they didn't win. They got the break but they didn't take advantage of it."

"A pennant winner needs a certain amount of breaks, blood hits and crazy bounces, but they've got to take advantage of them to make them count."

"When the Redlegs arrived here to open the four-game series Monday, Tebbetts said the Braves would need more than a split to 'do anything to us.'"

But, now Birdie, with two of three games in the bag, figures another victory today would be so much gravy — banking as he is on a streak after his club pulls up stakes here.

Umps And Lumps

NEW YORK — Things are getting tougher for umpires these days. Two minor league arbiters were suspended recently for striking players during an argument. One incident occurred in the Texas League and the other in the Carolina League.

The Texas fracas happened in the street after the game. The Carolina flareup took place during the game when one of the players while arguing hit the umpire with a bat.

HARD ON HEARING—Tex Gonzales gets home a solid left hook to the ear of Fernando Spallotta of Italy misses with a right hand—and winces as he gets belted. Gonzales' punch, landed during a bout at New York's St. Nicholas Arena, was not designed as a hearing aid for Spallotta, who lost.

Establishes Date of First Forward Pass

By The Associated Press
National League

ST. LOUIS — The forward pass is the exciting, explosive play that opened up — possibly saved — the game of football. It all started 50 years ago today.

It's finally been established beyond argument that the first forward pass was thrown by a St. Louis University player against Carroll College at Waukesha, Wis., Sept. 5, 1906.

It wasn't a desperate, hit-or-miss play but came after long planning by Eddie Cochems, former Wisconsin hero who coached the St. Louis team that season. The origin of the pass once was the subject of debate. A movie several years ago on the life of Knute Rockne created the impression Gus Dorais threw the first one to Rockne for Notre Dame against Army in 1913.

Both Dorais and Rockne have credited Cochems with pioneering the pass. So has the Football Hall of Fame.

The Football Rules Committee decided after the 1905 season to permit the ball to be thrown forward. The action resulted from public indignation over frequent injuries and deaths in the bone-crushing mass formations of the era.

Prodded by President Theodore Roosevelt, the group of college presidents met to consider ways to open up the game.

The ball then wasn't the bullet-shaped projectile it is today but Cochems studied it and learned it could be spiraled by gripping the laces.

The score was tied in the second half of the Carroll College game when Brad Robinson saw his coach pacing the sidelines, turned to his teammates and said: "Now we pass a little."

Robinson's first throw fell to the ground and Carroll took the ball. But a few minutes later he found end Jack Schneider alone 20 yards downfield. Robinson passed to Schneider for a touchdown.

St. Louis went on to a perfect 11-0 season, scored 407 points and numbered Marquette, Kansas, Drake and Iowa among its victims.

Why was the pass so long in gaining popularity? Rockne answered this in his autobiography when he wrote:

"The East had not learned or cared much about the Midwest and Western football, indeed, the East scarcely realized that football existed beyond the Alleghenies . . ."

St. Louis University gave up football seven years ago under the pressures of the big-time game the pass helped create.

Gus Suhr, Jr., son of the former Pittsburgh Pirate first baseman, belongs to the Yankees and is in their farm system.

The Cincinnati Redlegs have renewed their working agreement with Seattle in the Pacific Coast League.

Teachers Hold First Meeting Of Fall Season

The Sedalia Community Teachers Association held its first meeting of the fall season in the Smith-Cotton auditorium at 9:30 a.m. Tuesday, Sept. 4. The meeting was called to order by Mrs. Estelle Ellis, president.

Mrs. Carl Schrader, chairman of the music committee, introduced Miss Mary Jo Case, a former student of Smith-Cotton and a teacher at Horace Mann school for the coming year, who sang a solo, "Romance" by Romberg. She was accompanied by her sister, Miss Judy Case.

The minutes of the May meeting were read by Mrs. Dorothy Kitchen, the treasurer's report was given by Mrs. Sophia Crosslin and Miss Nellie White gave the report of the auditing committee.

Mrs. Ellis, who was a delegate to Bunker Hill gave a very interesting report on her trip. She also thanked the organization for sending her to the National Education Association which met in Portland, Ore., in July. Mrs. Ellis then asked Mrs. Mabel Howe, vice-president of the Community Teachers Association, who also went as a delegate, to give a re-

A student's brain is a wonderful thing. It starts working the minute he gets up and doesn't stop until he gets to class.

port of the NEA meeting in Portland. Mrs. Howe gave a very informative talk after which she showed slides of the meeting.

P. A. Sillers, director of the elementary education, also attended the meeting in Portland.

Dr. Heber Hunt, superintendent of schools, was introduced by the president, and extended a welcome to all the teachers. He then presented the 24 new members of the faculty. Some of the rules and regulations of the school system were discussed by Dr. Hunt.

The following committee chairmen were named for the coming school year of 1956-57: citizenship, Mrs. Bernice Ringen; flower, Mrs. Mildred Heynen; legislative, Mrs. Mary Lou Lane; teacher education and professional standards, Mrs. Madeline Burke; MSTA health and accident insurance, Paul Killian; nominating, Mrs.

Actress Files Suit For Fall Out of Focus

LOS ANGELES (AP) — Actress-model Susan Harrison, 18, wants \$100,000 damages for the time she fell 10 feet out of focus.

She said she was posing for Glamour Photos Aug. 20 on a rooftop patio at the apartment of producer-writer Rick Strauss when she fell through a trapdoor and broke her back.

The trapdoor had been covered with a straw mat, she said. Named defendants in the suit she filed in Superior Court yesterday were Strauss, photographer Peter Basch and Mrs. Charlotte Auerbach, owner of the building.

Mary Maddox; professional ethics, Mrs. Nada Rhodes; program, Mrs. Mabel Howe; publicity, Mrs. Anne Lewis Payton; public relations, James Miller; resolutions, Mrs. Louise McKee; social, Mrs. Mary Ella Hausam; teacher welfare, Emerson Mathew; centennial, Mrs. Thelma Cook; auditor, Mrs. Evelyn Rabourn; music, Mrs. Geraldine Schrader; historian, Mrs. Anna Belle Lee; life membership promotion, Ralph Van Der Camp, and parliamentarian, P. A. Sillers.

A letter of appreciation was read, thanking the association for the contribution given to Bunker Hill.

The meeting was adjourned and a social hour was enjoyed in the Smith-Cotton cafeteria.

HOW ENGINE EARS ARE KEPT WARM—Out of their element, three engineers from Edmonton, Alberta, Canada, show that they can take extreme heat as well as the cold of Northern winters. Parka-clad throttle artists arrived in Cleveland, Ohio, for the Brotherhood of Locomotive Engineers' convention during the season's first 90-plus hot spell.

Resignation Is Seen As Herald Rise Of Younger Officers

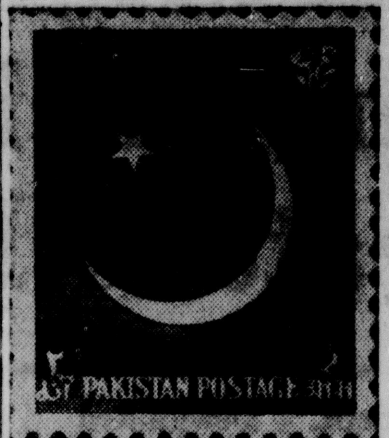

BUENOS AIRES, Argentina (AP) — The retirement of Argentina's army minister from active army duty has been interpreted in some quarters here as heralding the rise of younger officers to control of the army.

Brig. Gen. Arturo Ossorio Arana retired at his own request yesterday.

In his letter to President Pedro Aramburu requesting retirement, Ossorio Arana said he expects to complete this year a revamping of the army ranks. He said it will include the "promotion of superior officers and the retirement of those who, by their rank and length of service, exceed the possibilities offered by the makeup of the army in peacetime."

Some quarters said that statement could mean that younger officers who have become a behind-the-scenes power in recent months — may shortly assume open control of the army.

High-ranking officers led the revolution that ousted President Juan Peron a year ago. But it was a group of younger officers who spearheaded the coup that ousted the late Gen. Eduardo Lonardi as the first post-Peron provisional president and installed Aramburu, also a general, as his successor.

PAKISTAN'S BIRTHDAY — The Pakistan Posts and Telegraphs Department has issued the two-anna stamp, above. It marks the ninth anniversary of Pakistan, and features a crescent and star.

Four Are Injured When Plane Crashes

ST. LOUIS (AP) — A twin-engine private plane crash-landed shortly after takeoff at Weiss Airport in St. Louis County last night, injuring four men.

John L. Hughes, police chief of suburban Berkeley City, was at the controls and suffered a broken nose and possible back injury. The plane was demolished.

Others injured were Norman Chumley, 35, co-pilot of suburban Ferguson; Earl Richards, 32, of St. Louis County; and Leo Webb, 44, of St. Louis.

Richards said the plane was about 600 feet high when the left engine quit, the plane lost altitude rapidly and landed on rough terrain about a mile south of the airport.

Seven Year Hits

BROOKLYN (AP) — It's a long time between homers at Busch Stadium in St. Louis for Pee Wee Reese of the Dodgers.

When Reese rapped a homer on July 20 it marked only the third of his career in the Cardinal park. His first round tripper there occurred in 1942 and the second in 1949. Thus an interval of seven years elapsed between each round tripper.

Cole Camp Fair Opens on Thursday; Will Feature Exhibits, Pageantry

Women Have Three Depts. For Exhibits

Women in the Cole Camp vicinity will find three departments open featuring the work they have done at this year's Cole Camp Fair, Sept. 6, 7 and 8. The first department is household arts with 30 classes. Entries for this department close Sept. 6, but exhibitions may be brought in the previous afternoon. All articles are to be the work of the exhibitor.

The exhibit room at the Cole Camp Locker will remain open until 9:30 each evening, with articles released at 10 o'clock Saturday night, Sept. 8.

Among the lots are the quilts, which are always masterpieces, with awards for the best quilting by hand and the most attractive child's quilt, as well as others. Hooked, braided, crocheted and woven rugs will be displayed. White and ecru embroidery on pillow cases, luncheon cloths, sheets, dresser scarfs and other articles will be on exhibit. Other lots include cross stitching and needlepoint, huck weaving, applique, crocheted children's clothing, women's clothing, including suits, dresses, smocks, knitting and miscellaneous, including pot holders, hemstitching, hand decorating, corsages, and household novelties. Work of women's class, society or other organization will be featured in a group with two classes, quilts, or five suitable gift articles together.

Cooking, baking and canning are focus points in any household, and will be exhibited at the factory building in the home economics department. Canned foods must be of 1956 pack, in clear quart or pint glass jars and labeled.

Classes for loaves of bread, coffee cakes, fine cakes, and cookies are open to the woman who likes to bake. Fruits from apples to raspberries, and vegetables from beets to tomatoes will be offered in 18 classes. Beef, chicken, pork and sausage will also be displayed, as well as pickles and relishes. For the sweet tooth, classes are open in preserves and jellies.

An unusual class is the balanced meal, which requires five jars of canned foods to be used for an attractive and balanced meal, accompanied by a printed menu.

The last lot in home economics is home made soap, laundry style, either by the cold or boiled processes.

In the third department, floriculture, the exhibits will also be at the factory building.

Among the lots are flowering plants, including begonias, African violets and gladioli; foliage plants, including a class for the most attractively displayed vine; bouquets, asters, zinnias, roses, as well as others, including mixed flowers; dahlias, with seven classes, and flower arrangements, as well as a class for winter bouquet where wild material may be used.

In all, there are 192 classes offered to the women in and around Cole Camp.

Judges Announced For Cole Camp Fair

The following men and women will judge at the Cole Camp Fair, Sept. 6, 7 and 8: Roscoe Gibdon, vocational agriculture teacher, Tipton, beef and dairy cattle; Merle Vaughan, county extension agent, Sedalia, agriculture; Miss Opal Davis, 4-H, and Mrs. Loren Washburn, Versailles, home arts and home economics; Miss McDonald, county superintendent of schools, Versailles, and Miss Loretta Pace, Versailles, education and hobbies; and E. C. Ellis, professor of art, Robert Rogan, professor of art, and Noel Grinstead, professor of applied arts and sciences, CMSC, Warrensburg, floats.

Sept. 7 Designated As School Day, Will Hold Amateur Contest

Department I of the Cole Camp Fair, Sept. 6, 7 and 8, is devoted to the educational phase, with Sept. 7 designated as School Day. On this day an amateur contest will be presented by the rural schools on Main Street with Mrs. Beverly Steffens in charge. Selections are to be ten minutes maximum, and may be musical selections, readings or stunts.

At 10:30 a.m. a school parade will be held, forming at the school and marching up town, led by the Cole Camp High School. Schools may use floats, banners and costumes to carry out an educational theme. First prize for the town school float is \$90, with second, \$45, and third, \$25. In the rural school floats, first prize is \$45, second \$35, third, \$25; fourth, \$20; and fifth, \$15.

The school displays will be in the factory building. Classes will be open in writing, clay modeling, drawing, handcraft, painting, and others, with collect exhibits for grades 1-2, 3-4, 5-6, and 7-8. Murals, any medium, will be displayed from grades 1-2, 3-4, 5-6 and 7-8. A grand prize will be given to the school with the most points.

Parade Float Prizes Are Over \$900 This Year

At the Cole Camp Fair this year, Sept. 6, 7 and 8, more than \$900 will be offered in parade float prizes. All entries must be registered by eight the morning of Sept. 6 with the parade committee. Henry T. Junge, chairman. The superintendent of the school parade is Mrs. Pearl Traugott.

To be eligible for a prize, the floats entered must take part in all parades, one at 10 a.m. Sept. 6; at 7:45 Sept. 6; 7:45 Sept. 7; and at 7:45 Sept. 8. Any type of conveyance, banners and costumes may be used.

The floats will be judged by E. C. Ellis, professor of art, Robert Rogan, professor of art, and Noel Grinstead, professor of applied arts and science, Central Missouri State College, on the following scale: beauty, 30 per cent; workmanship, 30 per cent; theme, ten per cent; originality, ten per cent; locomotion, five per cent; and miscellaneous, five per cent.

First prize in the general parade will be \$70; second, \$60; third, \$57.50; fourth, \$47; fifth, \$44.50; sixth, \$42; seventh, \$39.50; eighth, \$37; ninth, \$34.50, and tenth, \$32. Competition for grand prize will be limited to holders of blue ribbons only.

First prize in the junior division is \$7. In the school parade, which will be at 10:30 a.m. Sept. 6, first prize for town schools is \$60; second, \$45; and third, \$25. In the rural schools first prize is \$45; second, \$35; third, \$25; fourth, \$20, and fifth, \$15. The MFA picnic committee has donated \$80 to be divided among all rural school floats, while John Kroenke will also donate on each rural school float.

Last year the beautiful floats attracted the attention of a large portion of Missouri.

Rackin Up Points
LIVERMORE, Calif. (AP)—The annual Livermore swimming championships turned out to be a personal triumph for 12-year-old John Rackin. He won the high point trophy with 33 points out of a possible 35 by finishing first in four races and second in another.

Rackin set a 100-meter freestyle mark of 1:06.4 in the 11-12 year group and negotiated the 100-meter individual medley in 1:17.6.

A total of 2,145 young swimmers took part in the three-day meet.

More than 96 per cent of Egypt's total land area is desert.

Judging Days Announced For Livestock

The vocational agriculture division of the Cole Camp Fair, Sept. 6, 7 and 8, will be judged as follows: hogs and sheep, Thursday afternoon, Sept. 6, cattle, Friday, Sept. 7.

The division is open only to Benton County boys enrolled in one of three types of supervised farming programs, 1956-57: vocational agriculture class; active members of FFA chapter under 21, who are continuing supervised farming programs and junior project workers, seventh or eighth grade, carrying on supervised farming programs. All animals entered are to be owned by the exhibitor and part of his supervised program. The animals will be taken to the show by the exhibitors, cared for and shown to the judges unassisted.

A total of \$150 in prizes is being offered this year based on the point value of premiums as follows: hogs, blue ribbon, 12 points; red, eight; white, four; sheep, blue 12 points; red, eight and white, four; dairy and beef, blue, 30 points; red, 20; and white ten. The value per point will be determined by dividing total money by total points in all exhibits.

Only pigs farrowed on or after Feb. 1, this year, from sows owned by the exhibitor at the time, may be shown. Pigs must be farrowed on the home farm or been in the farming program several months. Each exhibitor will be limited to two entries in each class, which are, purebreds, any breeds, spring gilt, boar, barrow, and senior sow and boar; and grand barrow, any breed.

In the sheep lot, lambs must have been dropped after Jan. 1, from ewes belonging to the exhibitor. Classes are for fat lambs, any breed, ewe, whether or ram.

In the dairy cattle class, any age, the group will be divided into breeds if there are enough cattle.

Seven classes are open in beef cattle, including Hereford, Short-horn and Angus heifers, beef cows, any breed, Angus, Hereford or Shorthorn beef steers, any age, and bulls of any age.

A pen of three broilers or fryers, any breed, will be judged.

Five classes are offered in FFA field crops, with three in corn, one in oats and one in wheat.

Special awards will be a ribbon for best showman, each enterprise, and best fitted animal, each enterprise. Feed will be given for the best dairy and beef animal, the boys with the most blue ribbons on hogs, the most red ribbons on hogs and the boy with the top dairy heifer entry.

Robert Hullman, Edwin Schnakenberg, V. T. Lumpe and V. V. Apsher are in charge.

Still Using Old Smoky
WICHITA, Kan. (AP)—"Old Smoky", a fire-scarred B-47 at Boeing Wichita plant, will never fly—but hundreds of B-47s are flying higher, faster and farther because of her.

When fire destroyed a neighboring B-47 on the flight ramp more than three years ago, Old Smoky lost a wing tip and flames blackened and wrinkled the right side of her fuselage.

Boeing engineers persuaded the Air Force to keep her in service as a test bed for structural, mechanical, electrical and power-plant crews. They say she's more than paid for herself in testing improvements that went into her flying sisters.

Cole Camp Fair Will Have Hobby Division

At the Cole Camp Fair, Sept. 6, 7 and 8, one of the departments is devoted to an ever growing field, that of hobbies. Mrs. P. F. Fryberger is chairman of the department with Mrs. A. T. Tucker and A. H. Zimmerschied as committee members. This department is open to all ages, to all types of collections from old coins and stamps to Indian relics, pipes, dishes, dolls, whatnots, clocks and guns. Cash prizes will be offered with a prize for the largest collection.

Entries for the department close at 11 a.m. Thursday, Sept. 6. The exhibit will be at the fire house.

Dairy, Beef Cattle Show Dates at Fair

Dairy cattle will be shown at the Cole Camp Fair Friday, Sept. 7, and beef cattle will be shown Saturday, Sept. 8. Entries close at noon Friday, Sept. 7, and all cattle, except milk cows, must remain on exhibit until Saturday at 5.

In the dairy cattle, three divisions are offered: Jerseys, Holstein and Guernseys, with classes for best male, two and over, between one and two, and from four months to one year, while best cows may be shown in classes for four years and over, under four, for milk cows, and for heifers, 18 months and over, one year to 18 months and four months to a year. Three prizes will be offered in each class, except for best of cows which has five, and a ribbon will be presented to the champion milk cow.

In beef cattle, divisions are offered in Herefords and Angus, with classes for best male, two and older, one to two, four months to a year; best cow, four and over or under four, and best heifer, 18 months or older, one year to 18 months and four months to a year. Ribbons will be awarded to the champion male and champion cow.

Special prizes of 100 pounds of feed will be presented to the champion milk cow in each of the dairy breeds and cash prizes will be given to the champion in the dairy cattle division.

Horse Show Is Feature At Cole Camp Fair

All purpose horses, draft horses and saddle horses will be one of the features at the Cole Camp Fair Thursday, Sept. 6, at 2 p.m. In the all purpose horse division, five classes are offered and they are best mare or gelding over three, or under three and over two, and under two and over one, and best mare colt and best horse colt.

Draft horses will be shown under five classes, with the best mare or gelding, three or over, first; the best pair or mare or geldings, over two and under three, or over three, hitched to wagon; the best pair of all purpose mare or gelding over three, hitched to wagon, and the champion draft mare.

Mares, geldings or stallion may be entered in the saddle horse division in classes for horses over three, or two years to three, or one and under two, with three prizes offered for the best saddle mare colt, the best horse colt, and with a ribbon offered for the champion saddle, and three prizes for the best Shetland pony with rider under 12.

4-H Exhibits Will Be Given Points at Fair

O. V. Singleton and Mrs. Elizabeth Drake are superintendents of the 4-H club department of the Cole Camp Fair which will be Sept. 6, 7 and 8 this year. They are assisted by Mrs. Harold Bockman, Mrs. E. J. Schnakenberg, Mrs. Willie Viebrock, Mrs. Otto Holsten, Mrs. Elmer Grother and Mary Louise Schroeder.

The department is open to regularly enrolled 4-H club members in Benton County with \$350 in prizes, including \$20 from the MFA picnic committee. The Danish system of judging will be used with the red ribbons having twice the value of the white and blue three times the value of white. The value of a point will be determined by dividing the total points awarded into the total money available.

4-H livestock will show Friday and Saturday as corresponding livestock in open classes is shown.

In the dairy cattle lot, judging will be done on registered bulls under one, heifer calves under one and over one, and dairy cows. In beef cattle, registered bulls under one, heifer calf, under one or over one, beef cow and baby beef will be shown.

Spring pigs, breeding or meat hogs, and sows comprise the swine division. Lambs, breeding or fat, and ewes will be shown under the sheep division. Three classes are open for rabbits, one for bucks, another for does, and a meat pen of three frying size rabbits. In poultry, there are two classes, breeding pen and broilers or fryers' pen.

Eleven classes are offered in field crops and vegetables while 23 classes are open in woodwork, electricity, forestry and rope.

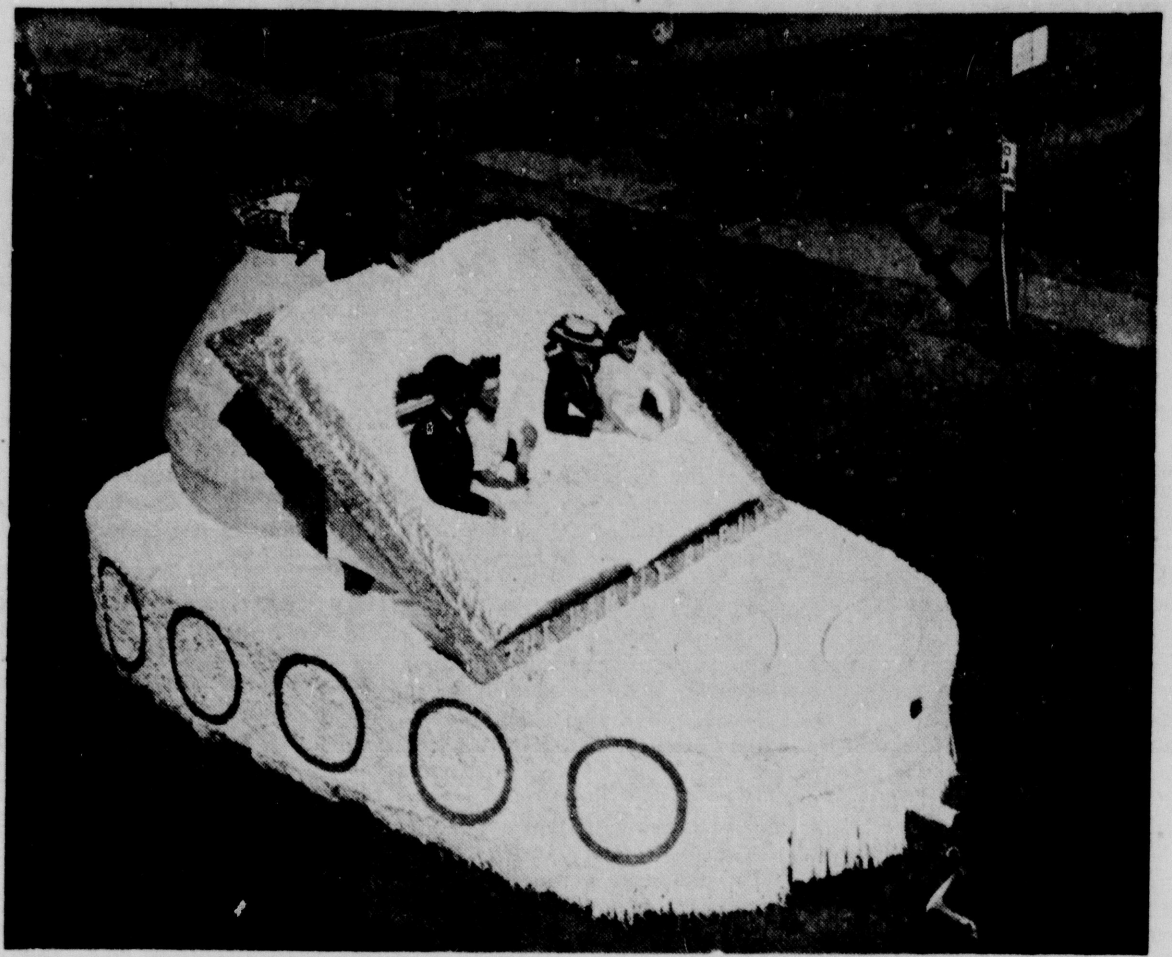

For the girls, there are four classes for year I; three for II; six for III; six for IV; and four for V. In home furnishings, there are seven classes open for years I or II. Under home service there are three classes.

The home grounds department has three classes: yard plans II, before and after sketches drawn to scale and pictures; small articles for the yard and home such as planters, baskets, and any kind of flowers in an arrangement for a coffee table.

Everything from relish to canned chicken is included in the food preservation lot with 21 classes for years I-IV.

For the bakers in the 4-H clubs, food preparation offers 12 classes including cookies, muffins, cake, rolls and a recipe box.

In addition to the regular cash

FAMILIAR, BEAUTIFUL SIGHT—This float appeared in a previous Cole Camp Fair and is typical of the careful, artful work done on the beautiful floats which appear in the annual float contest. This year the prizes for floats will total \$900. (Fajen photo)

Farm Products Exhibits Will Have Variety

Almost any type of vegetable, fruit, grains and seeds will be on exhibit at the Cole Camp Fair, which will be in full swing Sept. 6, 7 and 8. The exhibition will be located at the factory building this year.

All exhibits in the farm products division are grown by the exhibitor and may be seen until 10 o'clock each night.

In the farm display class, six prizes are being given while in the garden display, five prizes are being awarded. The displays will be judged on the following points: number of products shown, at least ten varieties, 30 per cent; condition and quality, 40 per cent; and arrangement and attractiveness of display, 30 per cent.

Prizes will be offered to 27 different classes of products including vegetables and fruits. There will be 37 classes of field grains and seeds including corn, lespezea, and bundles of legumes or tame grasses, which will be three to five inches in diameter.

15th Japanese Group Returns From China

MAIZURA, Japan (AP)—The 15th group of Japanese to return from Red China since repatriation started in March, 1953, arrived today. Among the 628 persons were 354 prisoners of war.

prizes for the 4-H division, an 80 pound sack of fertilizer will be given to the one winning the most blue ribbons in vegetables; one dozen pint jars to the one with the most blue ribbons in canned fruit and vegetables, and \$5 to the member winning the most points, \$3 for second, and \$2 for third.

Sailors Donate Blood For Stranger in Texas

DALLAS (AP)—Seven young sailors donated blood yesterday for a seriously ill Texan they never met, John J. Smith of Dallas.

Smith, suffering from a blood condition his daughter said never has been fully diagnosed, has received 35 blood transfusions in the last year.

A Dallas Naval Air Station airman, Joe Cameron of Mesa, Ark., learned of Smith's illness while visiting the USO last week. He persuaded his buddies to donate blood to the bank at the hospital where Smith is a patient.

The naval airmen who donated blood were Cameron, James Hopfinger of Terre Haute, Ind.; Warren Sylvester of Plattsmouth, Neb.; William Sohngen of Pittsburgh, Pa.; Ernest Henry of Syracuse, N. Y.; Charles Bowman of Joplin, Mo.; and Herbert Levinson of Liberty, N. Y.

William Ramlow On The Way to Burma

Mr. and Mrs. R. R. Ramlow, 1301 West Fourth, are home from St. Louis where they visited their son, William, and family at the Chase Hotel where they made a brief stop between planes while they were enroute to Burma. There William Ramlow has an assignment from the United Nations as a technical consultant for the UN with the Burmese government.

Blast in Utah Mine Sets Fire; Workers Had Left Earlier

MYTON, Utah (AP)—Black smoke poured from the shaft of the small Pariaht Gilsonite Mine today following an underground blast that touched off a fire in the isolated diggings late yesterday.

But, the mine's estimated 25 employees had ended operations for the day and left for home about an hour before the blast. There were no injuries, but mine Supt. Robert Ferron said the mine itself would be a total loss.

A gilsonite mine explosion at Bonanza, Utah, further east, killed eight men in November, 1953.

Gilsonite is a solid petroleum substance similar to asphalt. It is used in paints, varnishes, linoleum compound and other products.

A Better Game

MEMPHIS (AP)—Towering Forest Arnold, Memphis State's star basketball center, ignored a better-than-\$12,000 professional offer from the St. Louis Hawks of the National Basketball Assn.

He's sticking to his first love—the ministry. He was appointed youth director at the First Assembly of God Church last June.

A change in dimensions in the Henry Ford Museum at Dearborn, Mich., is being made to accommodate the huge Chesapeake and Ohio steam locomotive recently presented. It is 11 feet 2 inches wide, and 16 feet 5½ inches high.

Horticulture Fair Exhibits Show Increase

The 1956 Missouri State Fair horticulture exhibits were the largest and most attractive in many years. More rain and a favorable growing season in general over much of the state brought forth well filled classes in most all departments.

The Vegetable Growers Association, the Missouri Horticultural Society and the University of Missouri all had splendid non-competitive displays that were educational to the thousands of fair visitors passing through the Agriculture Building all week.

The numerous new varieties of melons and other vegetables received much attention in the University display.

H. G. Swartwout, assisted by Henry Di Carlo Rosati, both of Columbia, was superintendent of the Sedalia horticultural department.

Any Old Ties, Nylons—Black Market on Clothes; High Prices in Leningrad

Editor's Note — The writer, a student of Russian affairs, reports on life in Leningrad.

By Fredrik Hetter

LENINGRAD, USSR — A black market on the old clothes of foreign visitors is in full swing here. Communist officials are looking the other way.

I discovered this when a Danish student friend rushed into my hotel room and asked, "You speak Russian, come help us. We've got some guy who wants to buy our clothes. He'll give me 450 rubles for this old suit." That means over \$110.

Five years ago, that old Danish suit would have cost \$30. This could be a money-maker for me, too. It would pay for the costs of the trip, because I had some old clothes, too, but I shied away from the deals. My Danish friend and another Dane persisted. Two hours later, they came back with over 500 rubles each for two more suits. That night they celebrated at the "Park of Rest and Culture," an expensive night spot, with the very best Soviet champagne.

Other students caught onto the old clothes trade. Swedes, Danes, and Americans disposed of shirts, neckties, cheap wrist watches (the Danes had a supply of them), and even cigarette lighters, far above the purchase price of 1950 or 1951.

An American label, especially one from New York, brought the top price in Leningrad. A beaming young Swedish lawyer from Gothenburg showed me a sales list he had kept: "One necktie, poor condition, \$6.00; one necktie, fair condition, \$6.50; one pair nylon stockings (only one run), \$5.00; one raincoat, very poor condition, \$11.00 (American exchange rates)."

Although these transactions were in direct violation of existing Soviet law, no one interfered, least of all our guides, the Intourist (Official Soviet Travel Agency) representatives.

People stopped us in the streets, with "Got anything you want to sell?" spoken in broken English or German.

The young black marketeers were well dressed in the Russian style, talked in English and Russian slang. They prided themselves on American styles and books and frequently do not follow the official line. They showed no signs of fearing police, and expressed no interest in politics, national or international.

Lester Maddox, director of the Missouri State Poultry Experiment Station, Mountain Grove, was superintendent of the show. Mrs. Maddox acted as the assistant.

- ☐ Positive gathering to save down and leaning corn
- ☐ Quick snapping that gets ears without pinching or shelling
- ☐ Rubber-against-steel husking for ribbon-clean ears
- ☐ Convenience that makes best work easier
- ☐ Adjustments that keep you in command of every harvest
- ☐ Long-lived dependability that keeps costs low

Model T Service

DECATUR, Ill. (AP)—Rural mail carrier Goston F. Dixon figures he has put more than 350,000 miles on his little 1934 model Ford coupe. He has used it for 22 of the 35 years he carried the rural mail.

Besides seven motors and many sets of tires, the car has had several new rear ends and several new transmissions.

He prefers the old model Ford for his 43-mile Rural Route 1 delivery, which he figures takes 450 starts and stops, because it is

light and easy to handle. It requires only a short reach to a mailbox from the driver's seat and besides, two or three men can push it out of a mud hole or a snow drift.

When he's off duty he uses a late model car with "power equipment on everything."

Chief alfalfa crop grown in California's Imperial Valley is the African variety. It withstands pests and plant diseases best, say the agronomists.

Angus Owners Have Best Year at Fair

Thirty Angus breeders from Iowa, Kansas and Missouri closed the 1956 Missouri State Fair judging program for beef animals on Thursday, with what was pronounced by Frank Richards, Secretary of the American Aberdeen Angus Association, to be the largest and best show ever held at Sedalia.

The show drew ringside visitors from all parts of Missouri. John Tolan, Pleasant Plains, Ill., served as judge of the blacks. Dan E. Miller, Fayette, Mo., Superintendent of the Sedalia Beef Cattle Department.

'Do-It-Yourself' Fad Opens Million Dollar Business

By HAL BOYLE
NEW YORK (AP)—Many wives to-day complain that putting husbands are driving them out of their minds.
It's a side effect of the do-it-yourself fad that has gripped millions of American men.
"They leave the house a mess

from basement to attic," some wives object bitterly.
But the truth is that a number of these amateur tinkers are coming up with new and profitable household inventions.

"Not my husband," the average wife may object. "If I gave him a blow torch, he couldn't even invent warm water."
Well, maybe. Then again, maybe not. You never know when or where inventive genius will strike. For example:

When his wife became ill, Eli Teback, a hardware dealer of Linden, N. J., had to prepare his own meals for a few days.
Teback, who likes to broil steaks didn't mind the cooking at all. But he hated the later chore of scrubbing pans.

Noticing some aluminum foil in the kitchen, he began tinkering with it, trying to make a disposable broiling tray.
After several experiments, he came up with a tray with high sides and deep grooves to catch the dripping fat. He found he could cook his steaks, throw away the aluminum foil tray, and leave the roasting pan as clean as a well-hound's biscuit.

Teback naturally bragged about his new idea to some fellow businessmen, and one suggested: "Why don't you patent and sell it?"
He did. He founded a new firm, his "broil-a-foil" trays are now

sold in hundreds of supermarkets, and Teback is launched on a million-dollar business.

But a fellow doesn't have to wait for his wife to fall ill to come up with a money-making idea.
Take George Lerner of Freeport, Long Island. One day bored, they asked him if he couldn't think up something they could play. They were tired of their old toys.

Remembering a game he had played on rainy days in his own childhood, Lerner, a commercial artist, got out some potatoes and carrots. Then, using collar buttons, toothpicks and other odds and ends, he began to turn the vegetables into lifelike people. The children were delighted.

"If my kids get a kick out of a simple thing like this, why wouldn't other kids?" Lerner asked himself.
The result was "Mr. Potatohead," a collection of plastic ears, noses, mouths and eyes which children could press into vegetables and making amusing caricatures of human faces.

The game became a surprise big-seller.
"They told me that nobody would buy a game that merely called for making faces out of vegetables and fruit," recalled Lerner, whose royalties now would enable him to buy several vegetable or fruit farms if he chose.

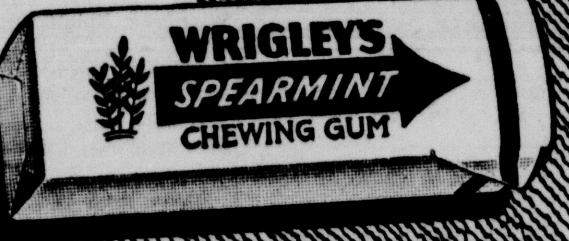

Lerner, who now works full time in his basement laboratory developing new toys, has this to say about his success.
"Unfortunately, many people, when they do get a good profitable idea don't have enough faith in it. They're afraid it's too simple."

The moral, ladies, is this: If you have a husband who likes to putter, let the guy alone.
If he comes up with even one good simple idea, it'll keep you in milk coat money the rest of your life.

Frank Nixon Loses Fight To Vote Again

WHITTIER, Calif. (AP)—Frank A. Nixon has lost his long fight to vote once more for his son, Vice President Richard Nixon.

Death came quietly last night to the 77-year-old former grocer. He struggled nearly two weeks against a combination of crucial ailments, and then, realizing the end was near, calmly arranged his own funeral services.

Earlier he had hoped to vote again. "I'm going to make it," he told his physician last week. "I want to be around to vote in November."

The vice president, his two brothers, Edward and F. Donald, and their mother, Mrs. Hannah Nixon, 71, were at the elder Nixon's side when he died. Mrs. Nixon held his hand until the end.

Dr. I. N. Kraushaar said a pulmonary congestion was the immediate cause of death. Ill since a stomach ulcer hemorrhaged in July, he became critical Aug. 22, when an abdominal artery ruptured. His physical stamina amazed his physician.

"He's a tough member of a tough generation," Dr. Kraushaar said.
The vice president took his father's death "pretty badly," friends said. He remained in seclusion in the big, two-story home in nearby La Habra.

He made no immediate announcement of his plans for tomorrow, when he is scheduled to speak before the American Legion Convention in Los Angeles.

Dr. Kraushaar said the elder Nixon told his eldest son earlier "to go ahead with his obligations." The vice president canceled plans for today and Friday, but made no disclosures of the program for tomorrow.

The vice president's father arranged the funeral services with an oldtime friend, Dr. George Jenkins, who will officiate. The services will be held at 2 p.m. PDT Friday in the family's church, the East Whittier Friends Church.

Built-In Home
SAN DIEGO, Calif. (AP)—Swallows hatched above the door of the San Diego zoo's restaurant in a nest which was built-in. The mother hen started it while concrete in the door structure of the new building was still wet.

"WHAT'S I GOING TO DO WITH THE NOSE?"—That's four-year-old Mike Sibole's main concern of the moment, as he runs his hands over a life-sized toy koala bear. The story of Mike touched hearts throughout the world when he lost both eyes to a cancer operation to save his life. Lella Marchant, a secretary in Sydney, Australia, read stories of his bravery, and saved enough money to buy the toy for him. The koala was flown in, and presented to Mike at his Orlando, Fla., home by Bunny Brinkley, left.

Austin Picked As Candidate For Governor

SPRINGFIELD, Ill. (AP)—Richard B. Austin, 54, a judge of Cook County (Chicago) Superior Court and a former assistant state's attorney, is the Democratic candidate for Illinois governor in the November election.

Austin was picked by the Democratic State Central Committee yesterday to succeed Herbert C. Paschen, Paschen, Cook County treasurer, was nominated in the April primary but withdrew from the race after a controversial employees fund was investigated by county and federal grand juries, and by Senate Banking Committee investigators.

Austin flew to Springfield after his selection and promised a hard campaign against Republican Gov. William G. Stratton, who is seeking re-election.

Austin told newsmen he would campaign on the issue of "honesty and integrity based on the scandal in Springfield." He said this meant a campaign based on the scandal of former State Auditor Orville E. Hodge, now serving a prison term for embezzlement of state funds.

Chairman James Ronan of the state committee said Austin was chosen over John Cassidy of Peoria and Harold Pogue of Decatur. Adlai Stevenson, former governor of Illinois and Democratic presidential candidate did not publicly endorse a candidate.

In Los Angeles Stevenson said

Miss America of 1945 Opens Custody Battle

NEW YORK (AP)—Brunette beauty Bess Myerson, Miss America of 1945, has opened a court battle with her handsome husband for custody of their 9-year-old daughter.

The estranged pair could not reach agreement in court yesterday, however, so the hearing was postponed.

Miss Myerson, who now appears on television, charged in an affidavit that her husband Allan Wayne had threatened to "do away with himself" and the little girl.

Wayne, a doll firm executive, has charged that his wife "spirited away" their daughter Barbara from his apartment.

Ike Is Not Likely To Use TV Makeup During His Campaign

WASHINGTON (AP) — President Eisenhower isn't likely to use any makeup when he goes on television during the campaign this year, the White House said today.

Press secretary James C. Hagerty added, the President has not used any for TV appearances for a long time — "for more than a year or maybe two."

The question came up in connection with a report that Eisenhower was made up when he went on TV to accept nomination for a second term at the Republican National Convention.

"He absolutely was not," said Hagerty.

Eisenhower has no particular aversion to makeup, which is used quite often by persons appearing on TV, but his technical advisers have decided he doesn't need it.

Hagerty said "there are no plans at all" for using any makeup on the President during the campaign.

Studies Wildlife

ST. JOHN'S, Nfld. (AP) — Les Tuck, dominion wildlife officer in Newfoundland, is studying the nesting and breeding habits of the snipe.

Democrat Class Ads Get Results

Rustic Furniture Carries Own Sawdust

HASBROUCK HEIGHTS, N. J. (AP) — Some residents who bought rustic lawn furniture from an unidentified peddler over the weekend later noticed sawdust underneath it.

Police yesterday warned the buyers not to store the chairs or tables in their homes or garages — the stuff is loaded with termites.

MPS Will Increase Pleasant Hill Plant

RAYTOWN, Mo. (AP) — Installation of a new generator which will double the capacity of its plant at Pleasant Hill, Mo., was announced today by the Missouri Public Service Co.

R. J. Green, president of the utility, said the \$3,750,000 expansion project will bring the plant's capacity to about 48,000 kilowatts.

"The additional electric power to be generated provides a substantial reserve for continued industrialization of Western Missouri," a company spokesman said. "The reserve places the Missouri Public Service Co. in the position of providing stronger assistance to the cities and towns served in helping attract new industries to their localities."

FOWL BLOW—Workmen thread their way through a seemingly endless pile of dead fowl near Albany, Ore. More than 13,000 turkeys were lost on this farm during western Oregon's heat wave, when temperatures reached 106 degrees.

Leslie Groves Picked As Representative Nominee in Macon

MACON (AP) — Leslie R. Groves, 45, Macon, was selected last night by the Macon County Central Republican Committee as the party nominee for state representative from the county.

He fills the vacancy left several weeks ago with the death of Rep. William R. Sherman, who had no opposition in the primary.

Groves, a graduate of Wabash College, Crawfordsville, Ind., is a stock salesman for an insurance firm and has lived here nine years.

He defeated Elmo Terry, Caseyville, and Winfred Watson, Atlanta. Mrs. Leonora Sherman, widow of the legislator, had been urged to try for the post but before the meeting last night she announced she would not seek the nomination.

Gold-Plated Turbines

COLUMBUS, Ohio (AP) — Scientists at Battelle Memorial Institute here believe gold-plated turbine blades may increase the life and operating efficiency of jet engines.

The institute reports that experiments show a thin plating of gold helps protect turbine blade metals from deteriorating at high temperatures.

Many turbine blades are made in part from molybdenum, a metal that corrodes at high temperatures. At 1800 F. the institute reports, the molybdenum burns rapidly, forming a gaseous compound.

The discovery was made during a research program for the Navy Bureau of Aeronautics.

Names Win

DENVER (AP) — Thirteen-year-old Bobby Peterson won the bicycle first prize for naming two longhorn cattle sent to the Denver Zoo. His suggestions were "Sir Loin" for the bull and "Miss Steak" for the heifer.

Arthur Miller Says Monroe Not Pregnant

LONDON (AP) — Playwright Arthur Miller returned from the United States today and denied his actress wife, Marilyn Monroe, is going to have a baby.

"It's absolute rubbish," said Miller. "There is not a word of truth in it."

Marilyn, who is making a film here with Sir Laurence Olivier, has been absent from the set for five days. Doctors have treated her for stomach ailments.

Miller told newsmen at the airport Marilyn has been suffering from gastritis.

"She telephoned me from London while I was in New York," he said, "and she did tell me that she was unwell, but she didn't ask me to rush back."

"I have read the story that my wife was visited by a gynecologist. Now I don't know about that, but I can assure you that no baby is on the way."

Driving Record

BEAVERDAM, Va. (AP) — Robert B. Harris is a mighty safe driver — just about the safest.

Harris, who operates a barber chair in a one-chair shop, doubles as a school bus driver. He has been driving the bus for 27 years without a single accident. What makes his record all the more remarkable is that he lost a foot in a mower accident when he was seven years old.

"I can drive anything that runs," Harris says. "I even drove my bus with a peg leg for two years before I got fitted with an artificial leg."

Point Of Pride

MEMPHIS (AP) — Today's long-term payments give a sharper point to this sign on the rear of a 1930 auto seen pattering down the street:

"Out of date . . . But out of debt."

Chased Car Strikes, Kills Pedestrian

ST. LOUIS (AP) — A man carrying a chauffeur's license bearing the name of Doyle Neff, 31, was struck and killed by a car being chased by a police car yesterday.

The license carried by the victim carried two addresses, Mount Vernon, Ill., and another in St. Louis.

Officers said the car, occupied by two men who appeared to be in their early 20s, didn't stop after the accident. It later was found abandoned.

4-H and FFA Beef Exhibits At State Fair

The FFA vocational agriculture boys of Missouri brought 114 head of breeding beef animals and 70 head of fat steers to the Missouri State Fair. The numbers last year were 100 breeding animals and 50 steers.

In the steer competition FFA and 4-H club junior entries are thrown together. The grand championship of 1956 went to a 4-H Hereford steer owned by Russell Steinman, Albany, and the reserve championship went to the champion Angus steer of the FFA show and was owned by Gart Baxter, Norborne, a member of the Stet FFA chapter. Twedie Bros. of the same address and school showed the reserve champion Angus in the FFA show.

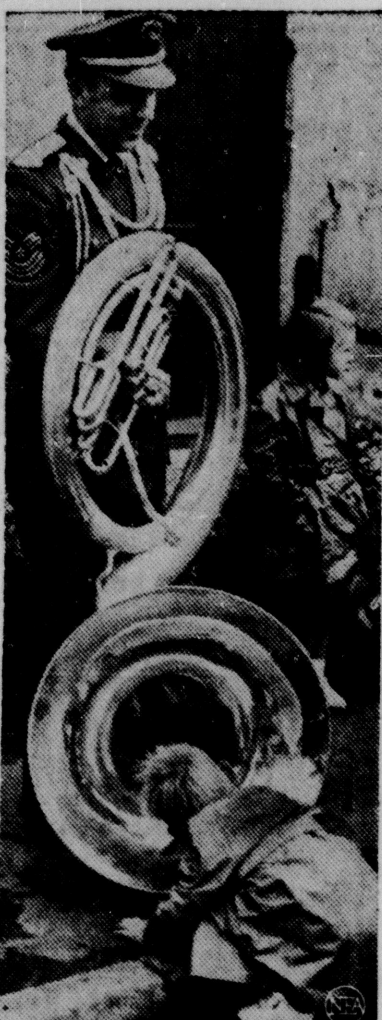

Rollo E. Singleton, Jefferson City, served as judge of the show using the Danish system of judging: Blue, Red, and White. Carl M. Humphrey, Jefferson City, was superintendent of the FFA department of the Fair.

The awards:
Fat Steer, Calved Between Jan. 1 and Sept. 1, 1955
R. Charles Wessing, Pilot Grove.

Fat Steer—Calved Between Jan. 1 and Sept. 1, 1955
R. Leroy Johnson, Windsor.

W. Charles Wessing, Pilot Grove.
W. Keith Allen, Green Ridge.

Reserve Grand Champion Female
B. Jack Sutherland, Windsor.

WHERE IS IT?—Two-year-old David Gallop makes a close-up inspection of the business end of a sousaphone, looking for the music that comes out. Man with the horn is M/Sgt. Donald G. Lomphey, of Milwaukee, Wis., a member of a U.S. Air Force band, performing at a carnival on the Isle of Wight, England.

Important Metal
Columbium, also known as niobium, is a metal that, when alloyed with steel, gives steel the heat resistance necessary in jet engine parts.

R. Sammy Cooper, Windsor.

Hainens Back To Tipton After a Trip

By Mrs. T. W. Miller

TIPTON — Mr. and Mrs. S. J. Hainens and daughter, Carolyn and Mrs. J. A. Sand have returned from a week's vacation at Birmingham, Ala., visiting with Mrs. Hainens' brother, Mr. and Mrs. James R. Sanders.

Jim, 9, and Jerry, 6, the sons of Mayor and Mrs. J. E. Helms, spent last week in Eldon as guests of their grandparents, Mr. and Mrs. J. E. Helms.

Mr. and Mrs. Charles A. McVean and sons, Charles Dow and John, of Memphis, Tenn., were visiting here Friday and Saturday in the home of Charles' father, W. A. McVean. His brother and sister-in-law, Mr. and Mrs. J. F. McVean, also visited Mrs. McVean's relatives in Sedalia returning to Memphis, Sunday. Friday guests in the home were Mr. and Mrs. C. Cochran of Booneville, Mrs. Cochran being a daughter of W. A. and a sister of J. F. McVean and another daughter and sister, Miss

Sky Roundup

BEMIDJII, Minn. (AP)—Riders in the sky rounded up a ghost herd of cattle near here after ground posse roamed the hills for days without success. The herd's whereabouts were a mystery for almost a week. A helicopter crew finally spotted the cattle, grazing on a river bank.

Grace McVean, who spent a part of the summer here has returned to Kansas City where she teaches in the Swinney Elementary School.

Dr. and Mrs. H. P. Stonner and children were in Mineral Point, Wis., spending a week visiting in the home of Mrs. Stonner's mother, Mrs. A. P. Gevelinger.

Mr. and Mrs. L. I. Drackert entertained as their house guests last week their daughter, Mrs. Larry Heiman and children, Jim, Donald, Cindy and Sharon of Kansas City. Mrs. Heiman is the former Miss Geraldine Drackert.

Mr. and Mrs. Aquin Kline motored to Doniphan Monday taking home Mrs. Kline's mother, Mrs. A. C. Johnson and Mr. Johnson and a niece, Miss Carol Ann Wiley, who had been their house guests for the past two weeks. Sunday guests of Kline's nieces, Misses Jean and Judy Hassler and Harry Pohl, all of St. Louis.

About Town

Mr. and Mrs. M. E. Green and W. F. Wasson spent the Labor Day holiday season at the Lake of the Ozarks.

Mrs. Margaret Ficken, Mr. and Mrs. Ed Ficken and Mr. and Mrs. H. C. Schlusing of Knob Noster, went to Macon Sunday to visit Mrs. Margaret Ficken's son, Homer Ficken, who is ill in the hospital there.

Mrs. C. E. Bodine, 208 South Prospect, had as guests over Labor Day weekend her brother and his wife, Mr. and Mrs. D. T. Peak, Girard, Kan., and their son, A. I.

ELECTRIC Co.

Today's the day to get a great "new high" in octane ... plus TCP... both in

CONOCO Super Gasoline with TCP!

54 Stock car racing marks (CERTIFIED BY NASCAR)

smashed using...

CONOCO All-Season Super Motor Oil!

• Bonneville Salt Flats—Driving a '56 Pontiac in a grueling 24-hour endurance run, test drivers cracked all American Unlimited and Class B stock car racing records! Their gas/oil team? Conoco Super with TCP and Conoco All-Season Super Motor Oil (SAE 10W-30).

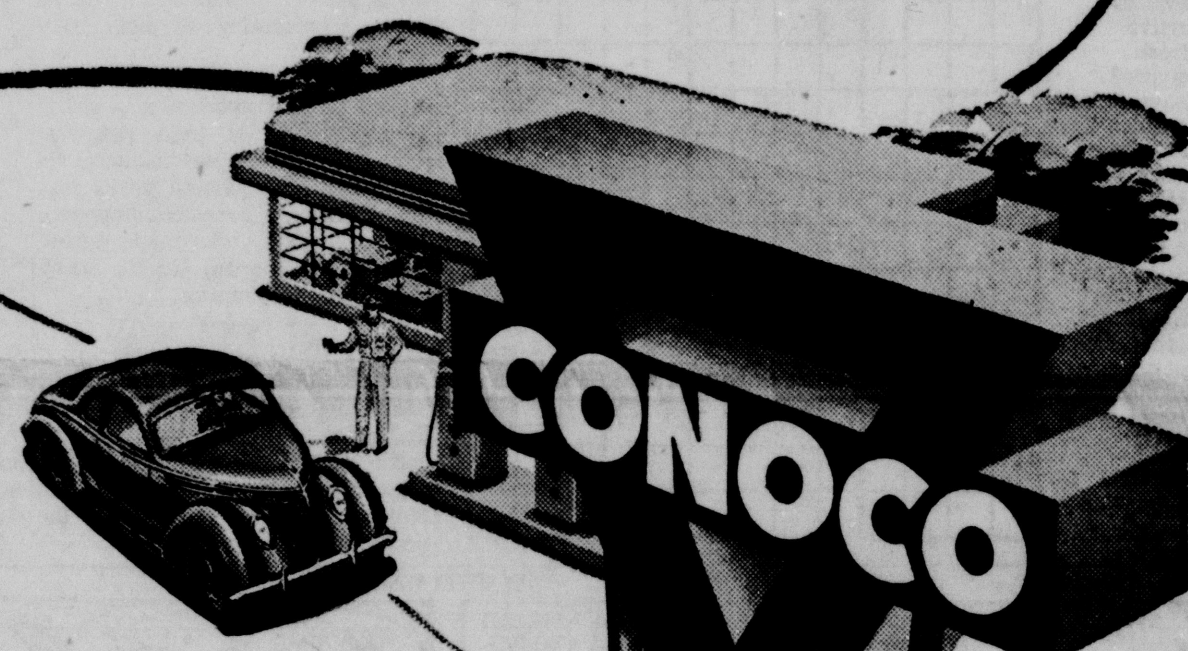

In sizzling 130-degree temperatures, speeds up to 126.44 mph were maintained. Yet, in all 2841 miles of this continuous run, only one quart of oil was added! America's first Double-Duty Motor Oil held up under terrific engine temperatures and pressures... kept the high-compression engine free of friction, corrosion, and wear. Take a tip from this great endurance run. Get both Conoco Super with TCP and Conoco All-Season Super Motor Oil today!

NASCAR-approved Stock Car Marks† Set June 26, 1956

American Unlimited and Class B, Flying Start	DISTANCE	TIME	MPH
1 mile	30.15	119.50
10 miles	4:46.99	126.44
100 miles	47:36.68	126.02
1000 miles	8:18:50.91	120.277
2841 miles	24 hours	118.373

†Plus 49 others, all NASCAR-checked and certified!

Only one quart of oil added in 2841-mile run
Certified by NASCAR INTERNATIONAL

MRS. SIMMS—AFTER TWO TANKFULS OF CONOCO SUPER WITH TCP, YOUR CAR WILL DELIVER LOTS MORE POWER, BETTER GAS MILEAGE, AND LONGER SPARK-PLUG LIFE. TCP IS JUST LIKE AN ENGINE TUNE-UP!

THAT'S BECAUSE TCP NEUTRALIZES POWER-ROBBING LEAD AND CARBON DEPOSITS THAT FORM IN THE ENGINE, ESPECIALLY IN STOP-AND-GO DRIVING. YOU GET A GREAT 'NEW HIGH' IN OCTANE, TOO!

WHY, JUST RECENTLY, BOTH CONOCO SUPER WITH TCP AND CONOCO ALL-SEASON SUPER MOTOR OIL WERE USED TO SET A NEW STOCK CAR 24-HOUR SPEED RECORD OF 118.4 MPH!

TCP...

Still the greatest gasoline development in 31 years!
